DECISION NUMBER: SS&CS 05/15

Subject: Streetscene and City Services Service Plan 2015-16

Options considered/ Reason for Decision

The Cabinet Member considered a report upon the Streetscene and City Services Service Plan for 2015-16.

The Local Government Measure 2009 placed a duty upon local authorities to "make arrangements to secure continuous improvement in the exercise of their functions". In order to discharge this duty, the Authority must be able to demonstrate the improvement made through its performance planning and reporting processes. Consequently, the Authority's 2015/16 Service Plans were detailed planning documents underpinned by the following key principles:

- Defining outcomes for the service area
- Demonstrating progress (What will we do? What is the impact on service users? How will we evidence we have done it?)
- Aligning financial resources with planned activity
- Considering regulators recommendations

The Service Plan included details of Service Area Outcomes, the key priorities for the service area and how they would be measured, the action plan detailed the actions for the year and other supporting information including risks, regulators proposals and equalities and Welsh language requirements.
