Walk the Port – Skyline Challenge Walking Event

Options Considered/Reasons for Decision

To update the Cabinet Member on the Walking event that was proposed to be taking place on 9 September 2017, as part of the promotion of physical activity in Newport.

One of the priorities set out in the Single Integrated Plan (SIP) for Newport was to increase physical activity across the city.

One of the projects defined to achieve this was to promote walking by developing sustainable walking groups and organising a sustainable annual walking event.

With this in mind the second Walk the Port – Skyline Challenge event was proposed to take place on 9 September 2017. The date was chosen by considering a number of factors such as other local physical activity event, time to promote and availability of volunteers. A number of the walks would be lead and supported by volunteers from various walking groups, the majority of these volunteers were available to support the event on this date.

This would be funded with grant funding from Let's Walk Cymru. Partners from a range of organisations were working together to ensure a successful event, with Newport Live taking lead on the event by managing the project.

Decision

Cabinet Member has considered the overview of the Walk the Port Skyline Challenge event and supported this initiative.
