LIC PAN 06/17

#### **Private Hire / Hackney Carriage Licences**

##### **Decision**

The Taxi Panel gave careful consideration to the respective application and the following decision was made:

##### **Applicant WAN**

1. In light of the fact that the conviction was in relation to a recent offence, the application for Private Hire Driver's Licence was refused as WAN did not meet the fit and proper standards. It was considered that WAN could potentially put the public at risk, due to the offences referred to in the report.

##### **Applicant HASAA**

2. To grant the Private Hire Driver's Licence and be monitored by the Licensing Officers.

##### **Applicant SA**

3. To refuse the Private Hire and Hackney Carriage Drivers Licence as SA did not meet the fit and proper standards due to previous history, as well as failing to complete the application form correctly. The Panel were not convinced that the type of incident, as set out in the report would not occur in future.
