Land at Lodge Hill, Caerleon

Options Considered/Reasons for Decision

To seek approval with the Cabinet Member for Assets and Member Development to appropriate land at Lodge Hill, Caerleon for education purposes to facilitate the construction of a new school.

The current Caerleon Lodge Hill Primary School is delivered on two separate but adjoining sites. Under the proposals for Band A 21st Century Schools funding, the Council are in support of re-providing the educational facilities in this vicinity of Caerleon to a 21st Century standard which requires a fit for purpose school operating from one building. The Council is in the process of submitting a full planning application for the development of a new school. The majority of the site is already appropriated for educational use and part is historically leisure.

This report seeks to appropriate the land outlined on the attached plan (plan 1) to education.

Decision

Appropriate the subject land from leisure to education.
