Private Hire / Hackney Carriage Licences

Decision

The Taxi Panel gave careful consideration to the respective applications and the following decisions were made:

Applicant AH

1. The Panel concluded that AH did not meet the fit and proper standards and refused the application for a Private Hire Driver's Licence.

Driver JM

2. In light of the driver's exemplary record, the Panel decided to issue a final written warning to JM and advised that any future incident must be reported immediately to the Licensing Authority as a matter of course.

Driver MA

3. In the absence of MA, the report was deferred to the next meeting. The Chair however advised the Panel that should the driver fail to attend the next hearing in November, the case would be considered in MA's absence.

Applicant MF

4. The Panel concluded that MF did not meet the fit and proper standards, and with a lack of evidence in support of the applicant from relevant employers or voluntary organisations, was refused the application for a Private Hire Driver's Licence.
