School Reorganisation Proposal – Removal of Learning Resource Base (LRB) provision at Llanwern High School – Permission to publish a statutory proposal

Options Considered/Reasons for Decision

To move to the publication of a statutory notice on the school reorganisation proposal "to permanently remove the Learning Resource Base provision currently at Llanwern High School with effect from January 2018".

Formal consultation was concluded on the school reorganisation proposal "to permanently remove the Learning Resource Base provision currently at Llanwern High School with effect from January 2018". The Learning Resource Base was currently empty, all pupils having moved to alternative provisions with effect from 1 September 2017.

The formal consultation was carried out between 10 July 2017 and 24 September 2017. Following conclusion of this process a consultation report, which describes the consultation process and feedback received in some detail, was drafted and attached at Appendix 1. The report was also published on the Newport City Council website and shared with stakeholders as outlined in the statutory School Organisation Code.

This report referenced those findings and made a recommendation to move to publish a statutory proposal. During this statutory proposal period, legal objections could be lodged by any stakeholder, and would need to be considered before any final determination was taken.

To move to the publication of a statutory proposal for a period of 28 days in respect of the proposal "to permanently remove the Learning Resource Base provision currently at Llanwern High School with effect from January 2018".
