LIC PAN 09/17

Private Hire / Hackney Carriage Licences

Decision

The Taxi Panel gave careful consideration to the respective applications and the following decisions were made:

Applicant DP

1. That the Private Hire Drivers Licence be granted with the additional conditions of passing a Pass Plus Course and installing CCTV within the vehicle for the purposes of protection. DP was also reminded that working existing shifts as well as undertaking an additional job which, involved the carrying of passengers in a vehicle could cause tiredness when driving.

Driver OHS

2. The Panel had carefully considered the report and the evidence put before it by the driver and considered the policy involved. It had not found OHS's explanation of matters to be plausible. It had decided that the recent conviction was serious enough to merit revocation of the Private Hire driver's licence held in order to protect the travelling public.

Driver WA

1. The Panel carefully considered what had been put before it in the report and by WA and his wife and decided to issue WA with a formal warning which would remain on his record. n
