City Centre Master Plan - Consultation

Options Considered/Reasons for Decision

Cabinet Member approval was sought to consult with selected partner organisations and residents on a refreshed City Centre Master Plan. The views of these groups were seen as a key part of the Master Plan review process.

City Regeneration and Development remained a key aim of the Council's Improvement Plan. Maintaining the positive momentum behind recent regeneration success was reliant upon understanding the full range of environmental, economic, and social factors that would shape future development in the City Centre.

Work commenced on the preparation of a refreshed City Centre Master Plan which would identify the Council's priority areas and schemes up until 2026. It was important to capture the views and opinions of key partner organisations and residents on the principles of the refreshed Master Plan.

Decision

Cabinet Member agreed that consultation could commence on a refreshed City Centre Master Plan.
