Spirit of Newport Award

Options Considered/Reasons for Decision

As a city it was important to recognise and reward the people who make our city what it is, whether it was through sporting excellence, charitable work, the growth of business, the arts, learning, or showing courage and tenacity in the face of adversity. The redevelopment of the city had provided the backdrop to a more positive view of the city. The Spirit of Newport Award was an opportunity for the people of Newport to nominate those who showed us that no matter what, the right attitude and application can achieve almost anything.

Decision

The Chair of Cabinet approved the development of the award and the process for nominations and in the first instance, seek views on two or three individuals or groups who could receive the award as part of the launch.

Consultation

Monitoring Officer, Head of Finance, Head of People & Transformation.
All members were consulted and provided with an opportunity to comment. Any comments received and response thereafter are set out in the report.
