**LICSUB 01/18**

### Decision

#### **Application for the Variation of a Premises Licence at Sam's Convenience Store, 186 Upper Dock Street, Newport, NP20 1DB**

As the Applicant did not attend at the stipulated time, the Licensing Manager telephone him and ascertained that he could not attend but wished the matter to proceed in his absence accordingly. The Chair of the Licensing Sub-Committee agreed to continue and the hearing therefore commenced at 3.15pm.

The Sub-Committee gave careful consideration to the whole application and unanimously found that it did not address the requirement to promote the four licensing objectives in any way and was all too evident that Section 16 of 18 of the application itself was not completed satisfactorily. Members had not been given any justifiable reason for veering away from the existing Cumulative Impact Policy.

The Sub-Committee had taken into consideration all the evidence put forward by the applicant and by the three responsible authorities, such as the guidance issued under Section 182 of The Licensing Act 2003, the Council's Statement of its Licensing Policy, the Cumulative Impact Policy and the Public Spaces Protection Order. The Sub-Committee therefore decided to refuse the whole of the application.
