R&H 02/18

St Pauls Walk Mosaics

Options Considered/Reasons for Decision

To seek Cabinet Member approval for the design, creation and installation of mosaics at St Pauls Walk.

St Pauls Walk is a public realm space created at the lower end of Commercial Street following the demolition of disused office space at 86 – 87 Commercial Street and Rileys Snooker Club. The area has been popular with local people enjoying the new open space but has also been the subject of graffiti attacks. Ways in which to prevent the graffiti attacks have been investigated. The preferred option is the installation of mosaics along two walls. The mosaics would be designed and created by local schools. The mosaics would enhance the improvement works already carried out and create an interesting feature in the area, making it more attractive for residents and visitors.

Decision

To allocate funding generated from interest received from the Kings Hotel Project for the creation and installation of mosaics at St Pauls Walk.
