Exempt or Confidential Items

LIC PAN 05/18

Private Hire / Hackney Carriage Licences

Decision

The Taxi Panel gave careful consideration to the respective applications and the following decisions were made:

Driver MGH

1. To suspend the Private Hire Driver's Licence for one week.

Driver LA

2. To suspend the Private Hire and Hackney Carriage Driver's Licence until LA had taken and passed a Pass Plus Course, as well as passing a medical examination to prove that he was fit to continue driving for his occupation.

Applicant SFA

3. To grant the Private Hire Driver's Licence, as the references shown in the report and the explanation given by the applicant proved that SFA was a fit and proper person. The reissue of the permit to work from the Home Office however did not show the original date that SFA was entitled to work in the UK. The Panel therefore required that SFA provide evidence to the Licensing Authority that his National Insurance number was issued and that he was legally entitled to work before the date of his first employment within the UK before the issue of a Private Hire Driver's License to him.
