

Decision Schedule

Licensing Sub-Committee

TO ALL MEMBERS OF NEWPORT CITY COUNCIL

Decision Schedule published on 5 September 2018

The Licensing Sub-Committee took the following decisions on 4 September 2018, which became effective immediately.

Councillors D Davies (in the Chair), J Hughes and M Cornelious

LICSUB 08/18

Decision

Yummies Kebabs, 185 Upper Dock Street, Newport, NP20 1DG

The Sub-Committee carefully considered the application for the Variation of a Premises Licence to allow the off premises sale of alcohol in respect of the above which had previously held a license solely to provide late night refreshment. They heard the evidence given by the applicant and Newport City Council Licensing Authority as a Responsible Authority as well as the written evidence provided by the Police and Aneurin Bevan University Health Board.

The Sub-Committee decided to refuse the whole of the application as it had concerns with regard to the impact this type of sale of alcohol would have on Newport residents with the quick delivery of alcohol directly to a person's home until 1.45am or 2.45am.

The Sub-Committee did not feel that the application had been properly thought through and there did not appear to be sufficient understanding of the four licensing objectives and in particular undermined the Protection of Children from Harm and there had been no consideration of the impact on the Prevention of Crime and Disorder within Newport.

Whilst the Sub-Committee felt that the licence conditions proposed by the Licensing Authority in their objections went some way towards helping to meet the four licensing objectives, they did not feel that they would do so sufficiently to justify the variation of the license to allow the off sale of alcohol.

The Sub-Committee would consider a re-submission of the application if it came with a proper risk assessment, a coherent business plan, a full appraisal and an understanding of the Licensing Objectives.
