Licensing & Regulation and Streetscene 05/18

Review of Fixed Penalty Notice Charges for Waste Offences

Options Considered/Reasons for Decision

To seek approval from the Cabinet Member for Licensing & Regulation and the Cabinet Member for Streetscene on the proposed charges for fixed penalty notices in relation to waste offences under relevant legislation enforced by officers employed by Newport City Council and to seek approval to continue not offering a discount for early payment.

A review of fixed penalty notice charges which are used to assist with enforcement of waste offences has been undertaken. The review has been undertaken partly to reflect the introduction of new legislation and to ensure consistency across the Council. In order to provide a greater deterrent to potential offenders, an increase to the fixed penalty charge amount is recommended for a number of offences.

Decision

That the Cabinet Members approve the Fixed Penalty Notice charges and support the continued use of fixed penalty notices for waste offences as an additional and alternative enforcement option. Also that the Cabinet Members approve the position of not offering discounts for early payment for these offences.

Consultation

Monitoring Officer, Head of Finance, Head of People and Business Change.

All members were consulted and provided with an opportunity to comment. Any comments received and responses thereafter are set out in the report.
