### **Assets, Equalities & Member Development (Deputy Leader) & Streetscene & 08/18**

#### **Future Use of Caerleon Public Toilets (Adjacent to Town Hall)**

##### **Options Considered/Reasons for Decision**

To seek approval from the Cabinet Member for Assets, Equalities & Member Development (Deputy Leader) and Cabinet Member for Streetscene to declare the subject premises surplus to Streetscene's requirements and re-appropriate to Regeneration, Investment and Housing in order that the property could be disposed of either by way of sale or lease on terms to be agreed by the Head of Law and Regulation.

When Newport City Council approved the final budget for the year 2018/19 it included as a revenue saving the closure of public toilets in Caerleon. The toilets had therefore been closed to the public since March 2018. Alternative arrangements had been put in place to compensate for the loss of this facility with supporting organisations.

This report dealt with the second phase of the process to ensure the building did not fall into neglect, had a viable alternative use and remained a long term part of the community fabric of Caerleon.

##### **Decision**

To declare the premises surplus to Streetscene requirements and re-appropriate to Regeneration, Investment and Housing in order that the property could be disposed of, either by way of sale, or lease to be agreed by Head of Law and Regulation.
