1 Question to the Cabinet Member for Culture and Leisure: 2019/16 - Splash Park - Tredegar Park

Councillor J. Watkins asked:

What is the current position with regard to reinstatement of the above?

Given we were advised some months ago that plans were being worked up to reinstate this facility and in time for reopening summer 2019, it is very unclear as to progress made by the Council. Evidence exists in other areas that such a facility enriches families, enabling them to enjoy fun and fresh air, together with the fact that such facilities can be run at cost neutral to the Authority.

Councillor D. Harvey responded:

The Cabinet Member for Culture and Leisure is currently considering options for the use of the section 106 money for leisure opportunities at Tredegar Park.
