Decision

Application for a Premises Licence

The Sub Committee considered the application and the representations made both written and those made orally by all parties at the hearing. It also noted that agreement had already been reached between the applicant (ICCW), Gwent Police and Newport City Council Noise Team to attach conditions to any proposed issued Premises Licence.

The committee welcomed the comments made by ICCW regarding a proposed appointment of a Transport Manager and also working closely with local residents.

The Chair asked the resident if she was happy with the hearing procedure today and that all her concerns had been addressed, the resident stipulated they were.

The committee determined to grant the application as applied for, subject to the conditions in the operating schedule and the agreed conditions with Gwent Police and Newport City Council Noise Team being attached to the Premises Licence.
