Conduct and Procedure of Licensing Sub-committee

1 Membership and appointment of Chair

- 1.1 The Licensing Sub-committee comprises all members of the committee, other than those who have an interest or who is the ward member for the ward in which premises under consideration is located. The quorum is three. The Chair will be elected on the day by a simple majority vote.
- 1.2 For example, if they live in the vicinity of the licensed premises, or have a friendship or a close personal association with either the applicant or any objector this would disqualify the Member from considering the matter.
- 1.3 Members of the Licensing Sub-Committees should inform the Senior Democratic Services Officer immediately if they consider that they are disqualified from considering any application, if members of the Licensing Sub-Committee become aware of any personal interest in any application before them they should declare the interest at the beginning of the meeting and withdraw immediately.

2 Ward Councillors

- 2.1 Ward Councillors are no longer expressly permitted to make representation in their capacity as Ward Councillors although they are entitled to make representations as individuals falling within the category of “any other person”, if they are likely to be affected by an application (for example if they live in close proximity to the licensed premises). Councillors however must comply at all times with the Members Code of Conduct (“the Code”). Ward Councillors should avoid discussing the application with any of the Licensing Sub-Committee beforehand to avoid any suspicion of undue influence or breach of the general obligation in the Code not to improperly use their position as a Councillor to secure any advantage.
- 2.2 If a Ward Councillor has a personal interest in an application (for example, because he/she lives in close proximity to the premises), then this is also likely to be a “prejudicial” interest under the Code. Provided that the Member declares the interest and withdraws from the hearing after making representations, then he/she is entitled under paragraph 14(2) of the Code to appear at the hearing in the same way as any other member of the public having made a relevant representation within the meaning of the Act (“any other person”). This also applies whether or not the Councillor is a Member of the Licensing Committee. Because of this “personal and prejudicial” interest the Ward Councillor cannot have any other involvement with officers or members regarding the application.
- 2.3 Ward Councillors who are not members of Licensing Committee may also act as the appointed representatives for any other person at the hearing, if requested to do so, but they should avoid discussing the application with any of the Licensing Sub-Committee beforehand. If a Ward Member is representing any other person, that other person must have objected by their own accord before a Ward Member can be requested to act as their representative at the hearing.
- 2.4 Ward Councillors who are members of Licensing Committee should not appear as the appointed representatives for any other person at the hearing because of the requirements of natural justice and the need to avoid giving any impression of undue influence or breach of the general obligation in the Code not to improperly use their position as a Councillor to secure any advantage.

3 Lobbying

- 3.1 Other Members must not lobby any Member of the Licensing Sub-committee, directly or indirectly, about any application before them.
- 3.2 Members of the public or any of the parties must not lobby any members of the Licensing Sub-Committee about any application before them. If any of the members of the Licensing Sub-Committee are approached by any person about a licensing matter, they should explain that they cannot discuss the matter and refer the person to the Licensing Officer. Any written representations received by individual members of the Licensing Sub-Committee must be passed to the Licensing Officer and reported at the hearing.

4 Chair of the Licensing Sub-Committee

The Chair of the Licensing Sub-Committee is to be elected by Members on the day by simple majority vote.

5 Quorum

- 5.1 Although the Act allows for the hearing to continue with two members present, the Council's Constitution and the Statement of Licensing Policy provides that three Councillors shall constitute a quorum for any meeting and it is good administrative practice for three members to be present.

If the meeting becomes inquorate at any time, the matter will need to be adjourned or referred to full Licensing Committee.

- 5.3 Membership may change during the course of a Sub-Committee meeting only if an individual member is disqualified from considering some but not all of the applications on the agenda. All members considering an application however must be present throughout the individual hearing. If, for any reason, a member needs to withdraw during the hearing, the proceedings should be temporarily adjourned until the member returns. The meeting will only commence if quorate. If a member arrives late and after the hearing commences, he or she will be disqualified from hearing the specific case under consideration but can hear other cases set out in the agenda.

6 Statutory Guidance

- 6.1 The Licensing Act 2003 (Hearings) Regulations 2005 SI 44/2005 and the The Licensing Act 2003 (Hearings) (Amendment) Regulations 2004 SI 78/2005 ("the Regulations") made under Section 183 of the Act set out the statutory framework for the Licensing Sub-Committee hearings.
- 6.2 These Regulations make provision for hearings required to be held by the Council as Licensing Authority, under the Licensing Act 2003. In particular, the Regulations provide for the timing of the hearings and the notification requirements regarding the time and date of the hearings and information to be given to the parties. In addition, provision is made for a party to provide information to the Licensing Committee about attendance at a hearing, representations, the seeking of permission for another person to attend to assist and whether a party believes that a hearing is necessary.
- 6.3 The Regulations provide for a range of procedural issues to govern the way in which preparations are made for a hearing, the procedures to be followed, the rights of parties at the hearing, the keeping of records and the manner of giving notices. The Regulations also make provision for the timing of the Licensing Committee's determination following a hearing.

6.4 Insofar as the Regulations do not make specific provision for procedures for and at hearings, the Licensing Authority can determine its own procedures.

7 Notice of Hearings

7.1 The provisions of the Local Government Act 1972 requiring at least three clear working days' notice of Council and Committee meetings do not apply to hearings conducted under the Licensing Act 2003.

7.2 Instead Regulation 6 of the Regulations prescribes the period of notice to be given for a Licensing Committee hearing, depending upon the type of application being considered.

7.2.1 At least two clear working days' notice must be given if the hearing is to consider

- the cancellation of an interim authority notice following a police objection
- counter notice following a police objection to a temporary event notice

7.2.2 at least five clear working days' notice must be given if the hearing is to consider

- review of premises licence following a closure order
- determination of application for conversion of existing licence
- determination of application for conversion of existing club certificate
- determination of application by holder of justices' licence for the grant of a personal licence

7.2.3 In all other cases, at least 10 clear working day's notice of the hearing must be given.

8 Timescale for arranging hearings

8.1 Regulations 4 and 5 and Schedule 1 set out the time periods within which the Council is required to arrange hearings. Where a hearing cannot be concluded in one day and has to be held on more than one day, the Regulations require that the hearing must be arranged to take place on consecutive working days.

8.2 The time frame for arranging hearings again depends on the nature of the application and varies from 20 working days from the last date when representation may be made or notice may be received from the Police to five working days in the case of cancellation of an interim authority notice following a police objection.

9 Form of Notice

9.1 Regulation 34 requires that notice of the hearing shall be in writing although it is a matter for the Council to determine how the notice should be given. The Regulations specifically provide that notice can be given electronically (eg by email or fax transmission) provided that the recipient agrees to this method of notice beforehand and a hard copy of the notice is also despatched at the same time. The notice is then deemed to have been properly served at the time of the electronic transmission. Any notice served by second class post would generally be deemed to have been served within two working days.

9.2 It is recommended that all notices and information should be sent to the parties by second class post. In the case of emergency applications that have to be dealt with at short notice or where the parties specifically request, copies will also be sent by email or fax, where these details are known.

10 Information to be provided

10.1 Regulation 7 provides that the following information must be sent out with the notice of hearing

- The rights of attendance, assistance and representation
- The consequences if a party does not attend or is not represented at the hearing (which will usually be that the hearing will proceed in the party's absence)
- The procedure to be followed at the hearing
- Any particular points on which the Licensing Committee considers that it wants clarification from any party at the hearing

10.2 Regulation 7(2) also provides that, in relation to the hearings listed in column 1 of Schedule 3 of the Regulations, certain specified documents must be sent with the notice of hearing to the persons identified. For most types of application, this means that copies of the relevant representations or notices given must be sent to the applicants or licence holders.

10.3 The Regulations require that the notice of the hearing and supporting information must be sent to the appropriate parties ie the applicant and any persons making relevant representations. There is no requirement for public notice to be given of the hearing or for the supporting information to be made available to the press and public or any other members of the Council. The Council however has a discretion as to whether or not to publicise the hearing more widely.

10.4 Having regard to the principles of open government, the Constitutional requirements that decisions are taken in a transparent and accountable manner and the requirements of Regulation 14(1) that hearings are generally conducted in public, it is recommended that the Licensing Sub-committees follow the same publicity arrangements as with other Committee meetings.

11 Requirements for Applicants and any other persons

11.1 Upon receipt of the notice of the meeting, the Applicant and any other person must inform the Council in writing

- Whether they intend to attend or be represented at the hearing
- Whether they consider a hearing to be unnecessary
- Requests for any other people to attend the hearing eg witnesses (including their names and a brief description of the evidence that they can give and its relevance to the application)

11.2 In the case of emergency applications, such as the cancellation of an interim authority notice following representations by the police or a counter notice following a police objection to a temporary events notice, this information must be provided not later than one working day before the hearing. In the case of the review of premises licences following closure orders, an application for conversion of existing licences or club certificates and the grant of personal licences, the information must be provided at least two working days before the hearing. In all other cases the information must be provided at least five working days before the hearing.

11.3 It is recommended that a separate letter be sent to the Applicant and any other person at the same time as the agenda for the meeting, reminding them of the need for this information and asking them for a response as soon as possible before the meeting. If the Licensing Sub-committee is informed in good time before the meeting that the parties do not wish to attend, then it may be possible to reschedule other business or applications for that meeting.

- 11.4 Regulation 9 allows the Council to dispense with the need for a hearing if the Applicant and all any other persons agree. If all the parties respond to the request for information stating that they consider a hearing to be unnecessary, the hearing can be vacated and notice given to the parties accordingly. A determination must then be made within 10 working days of the notice.
- 11.5 Regulation 10 provides that any party may withdraw their representations by giving written notice at least 24 hours before the hearing or orally at the hearing itself. There are no powers to avoid wasted costs in favour of either party in the event of an abortive hearing due to late withdrawal of representations. The parties should be encouraged to give as much notice as possible if they intend to withdraw their representations to avoid the unnecessary time and expense of arranging a hearing.
- 11.6 Where all objections are withdrawn and/or all the parties agree that a hearing may be dispensed with, the applications may be determined by officers under delegated powers.

12 Extensions of Time and adjournments (Regulations 11-13)

The Licensing Sub-Committee have a general discretion to extend the time limits contained in the Regulations or adjourn hearings if this is considered to be necessary in the public interest. Proper notice would have to be given of any extension of time or adjournment. Time cannot be extended or hearings adjourned if this would result in a failure to comply with the timescales set out in the Act.

13 The Hearing

13.1 Exclusions

Regulation 14 provides that all hearings must be held in public. The Licensing Sub-Committee may however exclude the press and public (including the parties and their representatives) from all or part of the hearing if they consider that the public interest in doing so outweighs the public interest in the hearing, or that part of the hearing, taking place in public.

13.2 The Access to Information provisions of Schedule 12A of the Local Government Act 1972 do not apply to hearings before the Licensing Sub-Committee. The test for exclusion of the press and public is not whether there is "exempt information" (as defined in Schedule 12A) which is likely to be disclosed, but whether it is in the "public interest" that the hearing (or part of the hearing) should be in private.

13.3 It is recommended that, as a general rule, all representations from the parties should be heard in public unless there are exceptional circumstances. The overriding public interest dictates that hearings should be conducted in a fair, open and transparent manner and justice should be seen to be done. The Council's constitution is also based on democratic open government, accountability and public access to meetings. The parties should be given the opportunity at the beginning of the hearing to make an application for a private hearing, but they would have to establish a clear reason why this should override the public interest in an open hearing. The fact that personal information or information relating to financial, business or commercial interests would be disclosed would not, in itself, justify exclusion. An application for exclusion of the press and public could be made, for example, where sensitive information relating to individual children could be disclosed in relation to a policy issue involving the protection of children from harm, or where there are criminal justice implications involving representations made by the police. The final decision as to whether the press and public should be excluded for all or part of the hearing on public policy grounds is a matter for the Licensing Sub-Committee.

13.4 It is however recommended that, as a general rule, the press, public and the relevant parties are all excluded from the meeting while the Licensing-Sub-committee deliberate and come to

their decision on the grounds that this private debate is considered to be in the “public interest”. Everyone should then be asked to withdraw from the room, except for the Licensing Officer, the Democratic Services Officer and the Head of Law and Standards or his nominated representative. These three officers shall be entitled to remain, but only for the purpose of offering advice as to procedure or any particular point of law and to record decisions. They must not participate in the decision-making by the Licensing Sub-Committee. Where it is more convenient, the Licensing Sub-Committee may withdraw to a private room rather than require everyone else to withdraw from the meeting room.

- 13.5 If there are any further points of clarification required, then all of the parties and the public should be allowed back into the meeting while these points of clarification are addressed.
- 13.6 Regulation 25 permits the Licensing Sub-Committee to exclude any person from the hearing if they are behaving in a disruptive manner, either permanently or temporarily (permitting them to return only if they comply with such conditions as may be specified). If one of the parties is excluded on these grounds and not permitted to return, they are entitled to submit to the Licensing Sub-Committee in writing any information which they would have been entitled to give orally had they not been excluded from the meeting.
- 13.7 Representations
Any person or responsible authority may make written representations about an application for a premises licence or certificate within a specified period, which is generally 28 working days of the receipt of the application. Representations or requests for review will only be relevant if they relate to the four licensing objectives. The applicant will be provided with copies of all relevant representations received at the same time as the notice of hearing. The written representations will also be referred to as background papers to the Report of the Licensing Officer, which will be circulated to Members of the Licensing Sub-Committee and made available to the press and public as soon as possible and, in any event, at least two clear working days before the hearing.
- 13.8 Advice should therefore be given that, if any person responds to any notice or advertisement, their letter of objection or support will be made available to the public, including personal data (such as names and addresses) in accordance with the Data Protection Act 1988. If any person objects to their name and address, or any other personal information, being made public, then their representations will need to be redacted or anonymised before being circulated (but this may affect the weight that the Licensing Sub-Committee attaches to their representations).
- 13.9 Where relevant representations have been made and an application is to be determined at a hearing, the applicant and those parties who have made representations have a right to attend the hearing (subject to rights of exclusion) and may be assisted or represented at the hearing by any person (whether or not that person is legally qualified) (Regulation 15).
- 13.10 Regulation 16 provides that a party shall be entitled at the hearing to
- Give further information in response to a point upon which the Licensing authority has given notice that it wants clarification
 - Question any other party, if permission is given by the Licensing Sub-Committee
 - Address the Licensing Sub-Committee
- 13.11 Regulation 17 provides that Members of the Licensing Sub-Committee may question any party or other person appearing at the hearing.
- 13.12 In considering any application, representations or notice made by a party, the Licensing Sub-Committee may take into account documentary or other information produced by a party in support of their application, representations or notice, either before the hearing or, with the consent of the parties, at the hearing. The Licensing Sub-Committee has discretion as to whether to admit this documentary evidence but should, generally allow this to be presented

if it is relevant and material to the application, the representations or notice submitted and the licensing objectives. This however should not be seen as an opportunity to introduce new representations outside the statutory timescale. The parties should be advised to provide any additional documentary evidence as soon as possible before the hearing and, wherever possible, this should be circulated in advance to the Members of the Licensing Sub-Committee and the other parties. The Sub-Committee will then decide at the hearing whether or not this additional documentary evidence should be admitted and considered. If admitted, the additional information will then be made available to the press and public at the meeting. If the additional documentary evidence has not been produced before the hearing, it can only be admitted with the consent of all the parties. If any other party objects to the evidence being produced at the hearing, the Licensing Sub-Committee has no discretion to admit it or take it into account.

14 Failure of parties to attend the hearing

If a party has informed the Council that he/she does not intend to attend or be represented at the hearing, then the hearing may proceed in their absence. If a party, who has not given prior notice of his/her intention not to attend the hearing, is absent from the hearing the Licensing Sub-Committee may either adjourn the hearing or hold the hearing in the party's absence. Where the hearing proceeds in the absence of a party, the Licensing Sub-Committee must still consider the written representations or notice submitted by that party and follow the same principles of decision-making.

15 Procedure at the hearing

- 15.1 Subject to the provisions of the Regulations, the Licensing Sub-Committee has the discretion to regulate their own proceedings and procedure to be followed at the hearing. The proceedings should be kept as informal as possible although a logical and ordered approach should be maintained in order to ensure a fair and impartial hearing. A suggested form of procedure is attached however the Chair should make it clear that the Licensing Sub-Committee are not totally inflexible and would be prepared to vary the order of proceedings if this would facilitate the proper consideration of an application or notice.
- 15.2 Regulation 7(c) provides that parties should be informed of the procedure to be adopted at the hearing when they are sent notice of the arrangements for the meeting. It is therefore suggested that a copy of the written procedure is sent to the parties with the notice of the hearing.
- 15.3 Regulation 22 requires the Licensing Sub-Committee to explain the procedure to the parties at the beginning of the hearing and consider any request under Regulation 8(2) for permission for another person to appear at the hearing (such permission not to be unreasonably withheld). Prior notice should have been given if parties wish to call witnesses or other persons to address the hearing. Provided that their evidence or representations are relevant and material, permission should generally be allowed.
- 15.4 Regulation 23 provides that the hearing should take the form of a "discussion led by the authority" and cross-examination should not be permitted unless the licensing committee considers that this is required to enable them to consider the matter properly. Whilst parties and their representatives should not be allowed to make the hearing too adversarial, it is suggested that both parties should be allowed an equal opportunity to put questions to the other party and their representatives/witnesses (under Regulation 16). A period of five minutes each should be allowed for questions, with the Chair having discretion to disallow any questions which are considered by the Licensing Sub-Committee to be irrelevant, hostile or repetitive. Wherever possible, large groups of objectors should be encouraged to appoint a single spokesperson to present their case, to save time and avoid unnecessary duplication.

15.5 Regulation 24 provides that the Licensing Sub-Committee must allow the parties an equal maximum period of time in which to exercise their rights to put questions and address the hearing. It is suggested that, as a general rule, a maximum time of 20 minutes should be allowed for both parties, with 10 minutes for addressing the Sub-Committee, five minutes for questioning and five minutes for summing up at the end. The Licensing Sub-Committee can however extend time for both parties if this is necessary for the proper consideration of the matter.

16 Site Visits

The Sub-Committee may, at its discretion, undertake a site visit of any premises that are the subject of any application. The visit may take place either before the hearing, by arrangement with the parties, or the Sub-Committee may adjourn the hearing at any time to visit the premises. If a site visit is undertaken, it should be a fact-finding exercise only and no representations should be heard from any party. Any questions should be addressed to licensing officer(s), wherever possible, but if it is necessary to ask a question of any party, this should be done in the presence of all the other parties.

17 Determination of applications

17.1 Normally, the licensing Sub-Committee must make its determination at the conclusion of the hearing. In other cases the Sub-committee shall make its determination within five working days. Where a hearing has been dispensed with, the decision must be made within 10 working days of the notice to dispense with the hearing.

17.2 The Council's Statement of Licensing policy provides that every decision of the Licensing Sub-Committee shall be accompanied with reasons for that decision. A summary of the decision shall be posted on the Council's website as soon as possible after the decision has been made, where it will form part of the statutory licensing register.

17.3 Paragraph 24 provides that comprehensive reasons should be given and, on making findings of fact in its reasons, the Licensing Sub-Committee should ensure that they address the standard of proof and the burden of proof that they have adopted. The Licensing Sub-Committee should also address the extent to which the decision has been made with regard to its Statement of Licensing Policy and the Statutory Guidance issued under Section 182 of the Act.

17.4 Regulation 28 requires the Council to notify the parties in writing of the determination of the Licensing Sub-Committee and their rights of appeal. The Council is also required to send notification of the determination to the Chief Officer of Police, where the police have not been a party to the hearing. This notification must be sent within the period specified in the Act or, if no period is prescribed, forthwith on making the determination.

18 Right of appeal

Any aggrieved party will have the right of appeal to the Magistrates' Court within 21 days of being notified of the decision.

19 Record of proceedings

Regulation 30 provides that the Council must keep a record of the hearing in a permanent and intelligible form for a period of six years from the date of the determination or, where any appeal is brought against the determination of the Licensing Sub-Committee, from the disposal of any appeal. A verbatim note or transcript of the proceedings is not required, but the Minute recording the decision must be sufficiently detailed so as to provide an accurate record of both the proceedings and the decision taken, together with the reasons given and any conditions imposed.

20 Irregularities

Regulations 31-33 provide that any irregularities or clerical errors shall not invalidate any decision or render a determination void and enables the Council to correct any error or cure any irregularity as soon as possible.

Organisation of Cases for the Hearing

- 1 The hearings will normally take place at the Civic Centre, Newport at times to be agreed with the Sub-Committee.
- 2 The agenda for the meetings of the Licensing-Sub-committee shall be agreed by the Licensing Officer and the Senior Democratic Services officer after any necessary consultation with the relevant Chair of the Licensing Sub-Committee. The officers shall determine how many applications can be heard at each meeting and the order in which the applications should be considered, taking into account the number of parties who will be attending.
- 3 Hearings should be scheduled in accordance with the timescales prescribed by the Regulations. In general a hearing must be held within 20 working days after the time has expired for making representations.
- 4 Once the draft agenda has been agreed, the Senior Democratic Services Officer should send out notice of the agenda to the Members, press and public in the usual way. Members should immediately inform the Senior Democratic Services Officer if they consider they are disqualified from hearing or they have an interest in any specific case.
- 5 At the same time, the Licensing Officer shall send notice of the hearing to the parties, together with
 - A copy of the procedure to be followed at the hearing
 - Confirmation of the parties' rights to be assisted or represented at the hearing (whether or not that person is legally qualified)
 - Confirmation that the parties will be allowed to address the Licensing Sub-Committee and put questions to the other parties for a maximum of 20 minutes
 - Confirmation that, if a party does not attend the hearing, the hearing would generally proceed in his/her absence
 - A note of any particular point on which the Licensing Sub-committee requires further clarification.
 - Copies of all relevant representations received
- 6 The parties should also be requested to notify the Council as soon as possible (and in any event within the timescale prescribed by the Regulations) whether they intend to appear and/or be represented at the hearing or whether they consider a hearing to be unnecessary.
- 7 If they intend to proceed with a hearing, they should be requested to give advance notice of any application to adduce any further documentary evidence (which should preferably be provided as soon as possible before the hearing) or request for any other person to appear at the hearing. The request must contain details of the name of the witness and a brief description of that person's evidence.
- 8 The notice of hearing and supporting documents should be sent by second class post and, except in the case of emergency applications or where the Regulations specify a shorter period, at least 10 clear working day's notice should be given. The Licensing Officer may also send electronic copies by email or fax by agreement with the applicants or other party.

- 9 The Chair of the Licensing Sub-committee may meet with the Democratic Services Officer, the Solicitor to the Licensing Sub-Committee and the Licensing Officer(s) presenting the report in advance of the hearing to identify any issues where further clarification should be requested from the parties. These issues will be notified to the parties by the Licensing Officer to enable them to address these issues in their submissions at the hearing. During this preliminary meeting and any pre-agenda meeting, no decisions shall be made and no discussions shall be held regarding the substantive merits of the application or representations.
- 10 The hearings shall be attended by a Solicitor, a Democratic Services Officer and the Licensing Officer. The officers shall attend for the sole purpose of giving advice on law and procedure and are not parties to the decision.
- 11 The role of the Solicitor is to provide legal advice in relation to the applications and submissions.
- 12 The role of the Democratic Services Officer is to record the proceedings and the decisions of the Sub-Committee and ensure efficient administration.
- 13 The Licensing Officer shall prepare a written Report for consideration by the Licensing Sub-Committee, which should include
 - A brief summary of the application
 - A brief summary of the representations
 - The relevant licensing objectives
 - Relevant aspects of the Council's Statement of Licensing Policy and statutory Guidance
 - Other background information (such as copies of letters)
- 14 The Licensing Officer's Report should be sent out as soon as possible and, in any event, no later than 10 clear working days before the hearing, together with copies of relevant documentary evidence submitted by the parties. Wherever possible, the Licensing Officer's Report should be sent out at the same time as the notice of hearing and supporting documents, but this will not be reasonably practicable where there are a significant number of applications to be determined. If additional documentary evidence is provided later by the parties, it should be copied and sent to the other parties before the hearing, if reasonably practicable.
- 15 After hearing all the representations and prior to retiring to make its decision, the Licensing Sub-Committee may, if it wishes, seek the guidance of the Licensing Officer and/or Solicitor on possible conditions that could be attached to any licence.
- 16 The Democratic Services Officer shall keep a record of the decisions taken and the Licensing Officer shall send written confirmation of the decision to the relevant parties, together with the reasons, any conditions and their rights of appeal.

Principles of Decision-Making

- 1 This note is intended to provide members of the Licensing Sub-committee with a guide to the principles of decision-making. The licensing hearings are of a quasi-judicial nature and the procedures are, therefore, markedly different to the usual arrangements for Committee meetings.
- 2 It should be noted that the proceedings are governed by adjudication procedures and the rules of natural justice will, therefore, apply. All the parties should be given a full and fair hearing, which should be conducted in an open, transparent and accountable manner.
- 3 Members must, at all times, comply with the Council's Member Code of Conduct.

- 4 All licensing applications must be considered on the basis of whether they promote the four licensing objectives set out in the Act and incorporated in the Statement of Licensing Policy, namely
 - The prevention of crime and disorder
 - Public safety
 - The prevention of public nuisance
 - The protection of children from harm

- 5 In reaching their decisions under the Act, the Licensing Sub-Committee must have regard to all relevant considerations including (but not limited to)
 - The relevant statutory provisions
 - Relevant Statutory Guidance issued under Section 182 of the Act
 - The Council's Statement of Licensing Policy
 - The licensing objectives
 - The material facts based on the relevant evidence presented and representations received
 - The individual merits of each case
 - The public interest

- 6 The Licensing Sub-Committee must disregard any irrelevant considerations, including (but not limited to) information or evidence which is not relevant to the application or to the promotion of the licensing objectives. Members must also disregard any party political considerations or decisions taken in political group meetings.

- 7 Members of the Licensing Sub-Committee must act fairly, objectively and impartially throughout. They must not show any bias or predetermination and must keep an open mind on all applications until they have heard all the relevant representations and evidence. Members must not prejudge any application, express any view on the merits of any application, organise any support or opposition to any application, in advance of the hearing. Any Member with a "closed mind" on any application would be disqualified from sitting on the Licensing Sub-Committee which considers that application.

In the event of any licensing applications submitted by or on behalf of the Council or an officer of the Council, the same rules and procedures shall apply. No account shall be taken of the fact that the application is submitted by the Council or an officer and no favour or consideration shall be shown in relation to the application. Any member involved in the decision to apply for the licence shall be disqualified from sitting on the Licensing Sub-Committee which considers the application.

Procedure to be Followed at The Hearing

- 1 Preliminaries and Opening remarks

At the commencement of the meeting, the Chair for the meeting shall be elected by simple majority of members present.

The Chair of the Sub-Committee opens the meeting and welcomes those attending.

The Chair introduces the members and the officers present.

- 2 Apologies/declarations of interest

The Chair deals with any apologies for absence and declarations of interest. Any substitution of members will be dealt with at this stage.

3 Introductions

The Chair invites the applicant, any other person and their representatives to introduce themselves and indicate who will be speaking.

The Chair explains the procedures to be followed and the time allocated to each party and asks if there are any questions. (The order of proceedings may be varied at the discretion of the Sub-Committee where the parties have any particular preference or where this is necessary for proper consideration). The proceedings will generally be conducted in public unless it is in the public interest to hear cases in private. Any applications to exclude the press and public should be dealt with at this stage.

4 Applications

The Chair will inform the parties whether their applications to have certain people attend the hearing under Regulation 8(2) (eg witnesses) have been granted or refused.

The Chair will summarise the papers before the Licensing Sub-Committee and will confirm that everyone has copies. Chair will ascertain whether any representations have been or are now to be withdrawn. Licensing Sub-Committee will consider any requests for additional documentary evidence or other information to be introduced by either party. (Note that advance notification must be given, otherwise the additional information or evidence can only be adduced at the hearing with the consent of all the parties and the agreement of the Sub-Committee).

Chair is to identify any specific points about which the Licensing Sub-Committee have requested clarification.

1. Application

An application for the grant of a new Club premises certificate for the Pioneer Club, 1 Rochester Road, Newport NP19 8PB, was served on the Licensing Authority on the 20th May 2019 in accordance with Section 71 Licensing Act 2003.

The application was accompanied by a declaration for a club premises certificate to be granted, a copy of the intended Club Rules and a plan of the premises can be found in Appendix 1 of the report.

Albeit that this application is for the 'grant' of a new Club Premises Certificate it is of importance that the Licensing Sub-Committee are aware of a brief history of the previous Licensing History of the premises as detailed below. However, the application and the named officers of the club have had no known association with previous occupation of the premises.

The Premises & History

The premises to which this application relates is located on the junction of Rochester Road and Conway Road, Newport, which, predominantly is a highly populated residential area surrounded on all sides by residential homes and occupancy. (Location and Images are found within Appendix 2 of the report).

The premises operated as a registered club (Newport Pioneer Working Mens Club) under the Licensing Act of 1964. In August 2005 the club converted their club registration to a Club Premises Certificate under the provisions of the Licensing Act 2003.

The premises then ceased to operate as a Club sometime between April 2008 and August 2008. The property was then acquired by Harvey's Leisure Limited who applied for a Premises Licence for the property. The premises was granted a Premises Licence under Section 17 Licensing Act 2003 on 06th October 2008 following a hearing before Newport City Council Licensing Sub-Committee. (The minutes and decision schedule in respect of the hearing are included at Appendix 3 of the report)

Between 06th October 2008 and 01st February 2018 Harvey's Leisure Limited had a number of tenancy agreements with various persons specified as the Designated Premises Supervisor and there were also periods when in the fact the premises were not in operation.

The premises was then sold in 2018 to Payne Lettings and on the 01st February 2018 the Premises Licence transferred to Mr Robert Steed. Simultaneous to this transfer there was an application for a full variation of the Premises Licence to remove the first floor of the premises from the licence as a result of re-development to residential accommodation and to increase the days and times for the provision of regulated entertainment.

This application was later amended by Mr Steed who withdrew the request for changes in respect of the provision of regulated entertainment.

During Mr Steed's tenure there were a number of complaints relating to noise from regulated entertainment which were dealt with by Newport City Council noise pollution team and officers of the Licensing Authority.

On 14th September 2018 the Premises Licence was then transferred to Ian Edwards and it is apparent that it was not trading regularly from that date.

On 26th January 2019 the premises attracted further complaints concerning noise and disorder and when this was investigated it was learned that there were new tenants who had opened the premises and were providing unlicensable activities on 26th January 2019 and that the likelihood was that Ian Edwards was no longer associated with the premises.

Ian Edwards was interviewed on 01st February 2019. He confirmed that he had no further involvement in the premises and formally surrendered the Premises Licence.

The tenants were formally interviewed on 06th February 2019 and it became clear that they had little awareness of the licensing requirements in respect of this premises and had been misled by the landlord whose own awareness of licensing requirements was also limited. The tenants determined to withdraw from the agreement and it was determined that there was no public interest in instigating proceedings against them because the licence had already been surrendered and that they would not be applying for a new Premises Licence or Club Premises Certificate.

2. Licensable Activities

The application seeks to provide the following Licensable Activities

- **Supply of alcohol by or on behalf of a club.**
Monday to Thursday between 2.00pm and 10.30pm

Monday to Friday between 4.00pm and 9.00pm
Sunday between 10.00am and 4.00pm

3. Promotion of the Licensing Objectives

- The Prevention of Crime and Disorder
- Public Safety
- The prevention of public nuisance
- The protection of children from harm

This should also be read in conjunction with the Club Rules that can be found in Appendix 1 of the report.

4. Representations

Responsible Authorities

On 20th May 2019 Heddlu Gwent Police served an objection notice on the Licensing Authority this objection can be found in Appendix 4 of the report. However, on the 21st May 2019 the Police withdrew their objection following agreement with the applicant to attach two further conditions to the proposed operating schedule.

On 30th May 2019 Newport City Council Environmental Health (Noise and Neighbourhood Team) served an objection notice on the Licensing Authority (Appendix 5).

On 04th June 2019 an objection (Appendix 6) to the application was served by Mr Alastair Dearling (Licensing Manager) exercising a role as a 'responsible authority' by virtue of Section 182 Licensing Act 2003 (amended guidance.)

Other Persons

On 03rd June 2019 an objection (Appendix 7) to the grant of a Club Premises Certificate was served by email on the Licensing Authority by Mr Garrett of 24, Conway Road, Newport NP19 8PA. This objection is considered to be a relevant representation under the provisions of the Licensing Act 2003.

6. Legal Considerations

MEMORANDUM

DATE: 29th May 2019

TO: Environmental Licensing

FROM: Noise & Neighbourhood team

Application to for a Club Premises Certificate to be granted under the Licensing Act 2003

PREMISE DETAILS: THE PIONEER CLUB, 1 ROCHESTER ROAD, NEWPORT, SOUTH WALES, NP19 8PB

I refer to the above-mentioned application for a Club Premises Certificate, which was received by the Noise & Neighbourhood team on the 21st May 2019 for comment. I wish to make representation under the “prevention of public nuisance” licensing objective as I am concerned that the application to licence for the provision of regulated entertainment could have an adverse impact on nearby residents.

Based on the information currently provided within the application, I would object to this application. My main concern is the likelihood of a noise disturbance being caused by unwanted noise (live and/or recorded) music emanating from the premises and possible noise disturbance from the personal behaviour of patrons, whilst using the external areas within the curtilage of the premises.

However, should the applicant wish to employ an acoustic engineer to prepare a scheme to make the premises suitable for both entertainment purposes and external usage by patrons, such a report must then be submitted to the Licensing Authority; and on the requirement that such sound insulation works are completed, I would then withdraw my representation.

Should the applicant wish to discuss my objection or comment on the issues raised further they may contact the Licensing Authority.

Appendix 6 Objection (Licensing Authority)

Dear Sirs,

LICENSING ACT 2003-NOTICE OF OBJECTION under Section 72 Licensing Act 2003

TO AN APPLICATION UNDER SECTION 60 LICENSING ACT 2003 FOR A Club Premises Certificate IN RESPECT OF The Pioneer Club, 1 Rochester Road, Newport, NP19 8PB.

I Alastair Dearing Licensing manager of Newport City Council's Licensing Authority acting in my capacity as a 'Responsible Authority' by virtue of Section 182 (4) Licensing Act 2003 (amended guidance) wish to object to the granting of a Club Premises Certificate to 1 Rochester Road, Newport, on the following grounds:

- Public Nuisance
- Crime & Disorder

I think it imperative to stipulate that the Licensing Authority (Acting as a Responsible Authority) is not averse to the granting of a Club Certificate for 1 Rochester Road but it's imperative that:

A) That the Club runs in good faith.

Factors which have a bearing upon whether or not a club is deemed to be established and conducted in good faith are:

- any arrangements restricting the club's freedom to purchase of alcohol
- any provision in the rules or arrangements under which the money or property of the club or any gain arising from the carrying on of the club is or maybe applied otherwise than for the benefit of the club as a whole or for charitable, benevolent or political purposes
- the arrangements for giving members information about the finances of the club
- the books of account and other records kept to ensure the accuracy of that information
- the nature of the premises occupied by the club.

(I think it's also important to state that qualifying clubs should not be confused with proprietary clubs, which are clubs run commercially by individuals or businesses for the purpose of profit. These require the normal Premises Licence. The definition of profit for this purpose is that those responsible for the club intended to make a profit. If they make a charge simply to cover costs and accidentally make a small profit owing to miscalculation, they need not worry. What matters is their intention at the outset.)

B) That the club operates without causing nuisance to local resident be that from entertainment or

Simply members of the club using the external areas of the property, for smoking, drinking or departing at the end of the night.

Concerning **Point A above**, despite the application being accompanied by a very comprehensive club constitution it seems to that it is an old template from a Club located in Reading and refers to the old 1964 Licensing Act. This will of course I be required to be changed before the club operates. Despite the consultation being comprehensive I feel that it's imperative that further evidence should be provided before the club operates to clearly demonstrate that it will run as a club of "Good will" and is not as a proprietary club.

As such, I would recommend the following conditions to be attached to the Club Certificate.

- Before any Alcohol is supplied in the premises, the Club must present to Licensing Authority evidence in that the club has at least 25 members.
- The Club must also provide the Licensing Authority with full details of its Committee Officers and contact details alongside their roles in the Club in line with the Club Constitution before alcohol is supplied. If a member of Committee changes the Committee must inform the Licensing Authority in writing within 14 days of the change.

- Details of the Auditor as stipulated with the Constitution should be supplied to the Licensing Authority before Alcohol is supplied, any changes to the accountant the club must inform the Licensing Authority in writing within 14 days of the change.
- A maximum of only 3 Guest can be signed in by each member (As stipulated within the Clubs Constitution)

Though only 15 guests are permitted on the premises at one time unless a registered SIA doorman is present on the premises in this case a maximum of 30 guests are permitted on the premises.

- All guest must be signed in via a "Guest" book, the book must be kept for a minimum of 6 months and the following details should be recorded in the book (the "book" can of course be in a form of an electronic device)
 - The name and address of the guest.
 - The members name who has signed in the guest.
 - Date and Time the Guest Entered the Premises
 - Time of when Guest left the Premises.
- All members should only be supplied alcohol on the production of a Members Card. The members card should have the following details on the name, photo and Members Number/ID and the Date of the Grant of membership.

In regard to point B raised above (Public nuisance)

I fully support Newport City Council Noise & Neighbouring Team objection dated the 29th May 2019. Unfortunately, the premises of late has caused public nuisance to local resident(s). Despite the application having a comprehensive Club Constitution unfortunately, the operating schedule unfortunately does not full address the issue of public nuisance in light of historic issues. The premises itself has historically held a Club licence under the 1964 "Licensing" Act, this licence was then converted under the provisions of the Licensing Act 2003 back in 2005. The Premises has operated under a Club Premises Certificate until the summer of 2008. The premises then closed for a period before the Licensing Authority received a premises application for the building so it could operate as a "Public House".

This application was objected to by both local residents and responsible authorities as such the application was required to be determined by Licencing Committee, the committee determined to grant a licence to Harvey's Leisure Ltd on 6th October 2008. From October 2008 until 1st February 2018 the premises operated under a number of tenancy of wills agreements with various persons specified as the Designated Premises Supervisor and there were also known periods when the premises were closed down or functioning.

The Premises Licence was then transferred from Harvey's Ltd to a Mr Robert Steed on the 1st February 2018. Though the Licence at this stage was unable to operate legally due to the fact the plans attached to the premises licence no longer harmonized with the current layout of the property.

This was due to the "function" room that was previously located on the second floor of the building being converted into separate living accommodation. As such a full variation was submitted by the then Licence holder Robert Steed on the 31st January 2018 to vary the licence, the licence was granted on the 6th March 2018.

It is known after the variation the Pollution Control Team shortly received complaints regarding both entertainment noise and noise from patrons including patrons in the yard / "Beer garden of the property" Due to the complaints a letter of warning was sent by Pollution control team (I attach a copy of this letter to the representation). This letter was hand delivered by Alastair Dearling (Licensing Manager) who spoke with Mr Steed who stipulated without the provision of entertainment the business would simply not be viable and costs of soundproofing would simply not be feasible.

On 14th September 2018 the Premises Licence was then transferred to Ian Edwards though once again the premises did not trade regularly.

On 26th January 2019 the premises further attracted complaints concerning noise and disorder. To the extent that a local resident was required to contact Gwent Police.

PC Nick Frost of Gwent Police visited the premises and replied to the complainant

“ A high number of youths in the street causing a noise nuisance, I suspect this is a regular occurrence from this club so by all means if it happens again contact the Police Immediately.

When the Licensing Authority investigating the complaint it learned that the premises had new tenants and Mr Edwards had left the premises but had failed to inform the Licensing Authority, this resulted in Mr Edwards surrendering the licence.

Though it is recognised by the Licensing Authority acting as responsible authority that the number of complaints regarding public nuisance is not significant in numbers, the premises rarely operates and when it does it unfortunately attracts complaints.

Though the application is of course for brand new applicant(s) the building, location and the structure of the building are of course the same and the historic issues are not always simply down to poor management.

I fully support Condition proposed by Noise & Neighbouring Team:

That the applicant should employ an acoustic engineer to prepare a scheme to make the premises suitable for both entertainment purposes and external usage by patrons, such a report must then be submitted to the Licensing Authority; and on the requirement that such sound insulation works are completed.

It is felt imperative that local resident(s) are protected. Though there are provision under the Licensing Act 2003 to call a premises into review alongside other legislation for example the Environmental Protection Act if the Club undermines the four Licensing objectives. Unfortunately in practice these processes can take time with a review taking minimum of 38 days to be heard and this is without any time allocated for investigation.

Once again I think it's imperative to stipulate that the Licensing Authority Acting as a Responsible Authority is not averse to the granting of a Club Certificate for 1 Rochester Road. But the applicant should be required to demonstrate before the opening the club it will firstly be run in good will and that it will not cause any further public nuisance to local resident(s) of course an acoustic report would help mitigate this allowing the club to operate within the four licensing objectives.

I would be happy to mediate with the applicant after the end of consultation

Yours Sincerely

Alastair Dearling

Appendix 7

(Representation of 'Other Person' Mr Garrett 24, Conway Road, Newport NP19 8PA. Served on the Licensing Authority on 03rd June 2019.)

Representations regarding Club Premises Licence Application

I believe that the application for a Club Premises Licence in relation to the above premises should not be permitted. I believe that the application does not adhere to the Principals of the main Licensing Objectives as follows:-

Issues with Proposed Variation of Licence and Potentially Existing Licence

I believe that the licence could breach, at least one, if not more, of the Licensing Objectives and be a breach and contravention of the Licensing Act 2003 and Statement of Licensing Policy 2011.

1. The Prevention of Crime and Disorder

The area of Conway Road/Rochester Road is already a significantly prevalent area in terms of crime. The underpass and Tweedy Lane are well known as hot-spots in terms of drugs and youths congregating and causing damage to various cars. The recent, and historic, crime reported in this immediate area are a testament to this. I believe the risk is too great that this could be exacerbated with the proposed Licence.

The streets that run parallel with the Premises have residents' parking for the properties of Conway Road and Rochester Road. These residents have already been in a battle of vandalism from youths and also intoxicated adults who utilise Conway Road as a thoroughfare from Maindee pubs to other areas. Cars and properties have already been subjected to criminal damage (as reports will confirm).

The increased risk the Licence poses is I suggest too great.

2. Public Safety

I believe that public safety would be significantly and irretrievably compromised in the event that the proposed Licence be granted. The area surrounding the premises is exclusively residential properties. Indeed, the nearest commercial premises is on Chepstow Road. Many of the properties (including immediately bordering the Premises) have young families, pensioners and disabled people. Very much the most vulnerable of society. The risks associated with intoxicated individuals I believe to be too great. It is also likely that the increase in risk of crime associated with Licenced premises combined with that which the area is already battling would, I believe, place too great and unnecessary a pressure on our Authority's emergency services. Police and Community Support Officers are already too stretched to intensively patrol the area in a bid to combat the crime that is already present, regardless of adding the potential (however potentially small) of more alcohol related crime to that.

3. Prevention of Public Nuisance

I believe that the potential of the Premises and its customers to cause a public nuisance, given the surrounding area and the premises' neighbours is significant. It is grossly unfair for the residents to be subjected to the noise levels linked with the Premises and issues have already been raised in relation to noise from this premises.

It is also worth mentioning that an abutting lane that joins Tweedy Lane to Rochester Road has already had to be boarded up because of fly-tipping and drug paraphernalia being dumped.

4. Protection of Children from Harm

As mentioned previously, the area immediately surrounding the premises as well as being the homes for various residents who have purchased their homes, some are Council and Private Tenants but also many hold young families, whose children play on their bikes/skateboards etc. in the streets on either

side of the Premises. I believe there also to be a risk posed to children following the consumption of alcohol by frequenters of the premises. Whatsoever, regardless of how conscientious the Licensee and it's staff may be regarding the use of drugs etc. there is an inherent increased drug risk associated with Licensed Premises and it's frequenters and I believe that risk overflows to children and be too great.

I am aware that many residents share my concerns.

By way of background, the premises for which the Licence is sought is The Pioneer. It is situated on the corner of the junction of Conway Road and Rochester Road. This premises has stood empty and closed for some considerable time (in excess of 5 years) prior to the failed planning application lodged last year and a further failed planning application earlier this year when the intention was to utilise the Premises as a Public House.

I do not believe that the Premises being granted permission to operate again as a Club is compatible with the Adopted Local Development Plan 2011 - 2026.

Of significant concern is that the premises has not held a Licence since early December 2018 and yet proceeded to open and operate and sell alcohol unlawfully including as recently as 26th January 2019 when the police had to be called for a gang of youths emerging from the premises fighting in the street. The police entered the premises on this occasion and I believe may be consulted as part of this planning application. Indeed, the police have had to be called on previous occasion as I am sure that their own records will verify.

The Premises had unlawfully been operating as a Public House since March 2018 and there have already been significant issues experienced by both myself and other neighbours as a result of which we have had cause to raise issues.

Of great concern is the proximity of the property to neighbouring residents, the impact of the increased vehicles for frequenters of the Premises when it unlawfully opened as a Public House last year already had a detrimental impact upon the locality. Indeed, I have had cause myself to report issues of dangerous parking by frequenters of the Premises. The Premises is on the corner of a junction between Conway Road and Rochester Road and frequenters are blocking the junction to the extent that cars have had to drive on the wrong side of the road to pass parked cars for people using the Premises.

Photo evidence of this has been supplied to the Authority.

Also people parking alongside the Premises on Conway Road mean that people emerging from the Rochester Road junction have their view severely obstructed. This is obviously very dangerous. There has already been one really bad accident at this very junction previously within the last 2 years. I fear that it is only a matter of time before another serious accident occurs as a direct result of the impact that this Premises is having upon the highway.

I also understand that officers of planning department have attended on various occasions and witnessed for themselves the parking issues experienced in relation to this premises. Whatsoever, a further issue has been raised with the Planning Department that awaits further clarification in that there is a yard area within the Premises that previously was a passageway to the barrell store etc. This has been utilised by frequenters of the Premises when it was operating as a Public House as a beer garden/smoking area. This smoking area directly overlooks the bedroom and bathroom of myself and my immediate neighbours. This impacts significantly upon our privacy. Again, this yard was never created with the intention of it being utilised as a beer garden, for the obvious reasons that it overlooks neighbouring properties and the inherent noise associated with a beer garden/smoking area. I believe that this issue warrants it's own investigation in terms of change of usage, or should require it's own consideration – as the fundamental use of this area has changed and the impact of the conversion of this yard area to a smoking area/beer garden has not had it's impact to residential amenity appropriately scrutinised. I have raised this issue directly with Planning.

Within the Noise Assessment submitted in support of previous planning application of considerable note is the fact that the Acoustic Engineers have appeared to have deliberately excluded several properties for example, 20, 22, 26 Conway Road and, indeed, my own property 24 Conway Road (which is directly

opposite the yard area proposed to be utilised as the beer garden/smoking area). It is believed that these properties have been deliberately excluded as a "sensitive receptor" -page 5 of Report so as not to negatively reflect within the readings and ultimately deliberately mislead the Authority. This has been drawn to Environmental Health Department's attention. The closest property that they identified as a "sensitive receptor" is 18 Conway Road which is, in fact, nowhere near the beer garden/smoking area of the Premises. In view of this, and particularly as some of the most significantly affected properties have not been included for the purposes of the acoustic assessment, the readings contained therein cannot reasonably be trusted to be either accurate or, indeed, reliably reflective. As it would appear that the Club would be operating for similar hours to when the Premises was unlawfully run as a Public House then similar concerns are raised in terms of noise nuisance and it is imperative for Environmental Health to fully assess the impact of reopening the Premises as a Club will have.

Obviously at the time when the Premises last operated as Club smoking was still permitted within Clubs and Pubs and obviously the situation has changed significant since then.

Since the premises has been open, numerous noise complaints (evidenced with recordings) and warden attendance has been requested as a direct result of noise associated with the Premises – again including as recently as 26 th January 2019. I request that these logged recordings be included within the consideration of this application.

Both myself and my neighbour's have already had cause to raise complaints previously pertaining to the noise emanating from the Premises. We have had singing and shouting etc. up until past midnight. These have previously been the subject of numerous complaints, including an Enforcement Notice being issued to the previous Designated Premises Supervisor.

Also of concern is the impact of light nuisance which has formed the basis of a separate complaint to the authority and which are currently under investigation. Lighting from the yard area directly permeates habitable and, indeed, bedrooms opposite and it is unclear as to how this can be avoided whilst still providing light for the frequenters of the beer garden/smoking area. It is requested that this be borne into consideration in terms of the application.

I am also aware and have had a site of a Report that was prepared for the Licensing Sub-Committee dated 6th October 2008 by Robin Grey – then Head of Public Protection and Environmental Services. As cited within that Report - at that time various representations were made by various residents within the area regarding concerns with the then Club Premises Licence in relation to noise and nuisance etc. I believe that this is indicative of what would be to come in the event that a renewed Club Premises Licence were to be issued, especially taking into account the most recent issues with the Premises. I would be more than happy to expand upon any of the above points if so required. Mr Garrett – 24 Conway Road, Newport, NP19 8PA
