#### **Tredegar Park and Fourteen Locks Off-Street Parking Pay and Display Order 2019**

##### **Options Considered/Reasons for Decision**

In December 2017 a Medium Term Financial Plan (MTFP) proposal was put forward to implement parking charges in city parks beginning with Belle Vue and extending to Tredegar Park and Fourteen Locks. The aim was to increase revenue that would offset savings required due to central budget cuts.

These charges would enable the service area to maintain the city parks to their current high standards and improve the visitor experience. The proposal included the capital-funding bid for the installation of pay and display machines, thermoplastic line marking and signage.

Council approved the budget proposals, which included this MTFP proposal, in 2018 and the Belle Vue parking charges were implemented. In December 2018, council budget proposals included the extension of the proposal to Tredegar Park and Fourteen Locks and these budget proposals were approved in February 2019.

Following approval to proceed, the council advertised an off- street parking pay and display order. The statutory advertisement of the order returned three hundred and twenty one written objections. The Cabinet Member for Streetscene and the Cabinet Member for Culture and Leisure (Business manager) are required to consider the objections received and decide upon a resolution.

##### **Decision**

To proceed with the introduction of the off street parking Pay and Display order.
