DL/CS 01/20

Local Coastal Pollution Tier 1 Incident Plan

Options Considered/Reasons for Decision

To seek formal approval of the draft plan to assist Newport City Council in meeting its legal obligation to put in place emergency plans that mitigate against specific risks within the Civil Contingencies Act 2004.

The Local Coastal Pollution incident plan was created to ensure Newport City Council had measures in place to act in a co-ordinated and effective manner in the event of a pollution event occurring within the Severn Estuary affecting the Newport coastline.

Decision

To adopt the proposed Local Coastal Pollution Tier 1 Incident Plan.

Consultation

Head of Law and Regulation (Monitoring Officer), Head of Finance, Head of People and Business Change and Head of City Services.

All members were consulted and provided with an opportunity to comment. Any comments received and response thereafter are set out in the report.

Implemented by: Head of Law and Regulation, Head of Finance, Head of People and Business Change, Head of City Services
Implementation Timetable: Immediate

Part 2: Not for publication as consideration of the report involves the likely disclosure of exempt information as defined in schedule 12 A of the Local Government Act 1972 (as amended) and the exemption outweighs the public interest in disclosure.

DL/CS 02/20

Wales and West Utilities, Major Accident Hazard Pipeline Plan

Options Considered/Reason for Decision

The incorporation of an additional section of the pipeline, the inclusion of Joint Emergency Services Interoperability Programme (JESIP) doctrine and an agreed emergency services incident notification procedure.

Decision

To approve and adopt the updated plan.

Consultation

Head of Law and Regulation (Monitoring Officer), Head of Finance, Head of People and Business Change and Head of City Services.

All members were consulted and provided with an opportunity to comment. Any comments received and response thereafter are set out in the report.
