1 Question to the Leader : 2020/04 - Council Run Local Housing Company

Councillor C. Evans asked:

I thank the Cabinet Member for the reply to my question with regard to affordable housing but you failed to answer my question.

Here it is again; will you lead a real affordable home building revolution in Wales, form a local housing company (LHC), and start building the council homes our people so desperately need?

Put simply, will you look at forming a LHC in Newport?

The Leader responded:

Please refer to my previous response.
