Sustainable Travel Supplementary Planning Guidance to Support the Adopted Local Development Plan

Options Considered/Reasons for Decision

The Newport Well-being Plan included Sustainable Travel Intervention Proposals. The creation of a Sustainable Travel SPG was identified as part of these proposals.

The Local Development Plan (LDP) was adopted by Council on 27 January 2015 and was the development plan for Newport. The Sustainable Travel Draft Supplementary Planning Guidance (SPG) was prepared to promote sustainable travel in new developments and to provide additional detail and guidance on policies in the LDP. It would encourage place makers to integrate sustainable travel as a foundation component of new development and its surrounding areas.

The SPG went through a six-week public consultation. Comments received and the Council made a number of minor amendments. It was now proposed that the Sustainable Travel SPG was formally adopted by the Council.

Decision

That Cabinet Members noted the comments received and the proposed amendments the Council was seeking to make. The Cabinet Members agreed for the Sustainable Travel SPG to be formally adopted
