Reason for Urgency

Due to the ongoing Covid-19 coronavirus situation, a number of businesses are still prohibited from trading, others have seen their trade drastically reduced. In response, Welsh Government has issued details to extend the fully funded scheme introduced in 2020 to give 100% rate relief for another year for businesses occupying properties in the retail, leisure or hospitality industry.

Business rate bills are soon to be issued for 2021-22 and payments will start becoming due in early April 2021. It is therefore vital that the business rate relief is applied as soon as possible to these businesses so that a correct bill can be issued for 2021-22, and to relieve the financial burden of making rate payments at a time when they are still facing restrictions on trading.

For this reason and to expedite the help available for businesses this report is being treated as urgent.

Summary In response to the Covid-19 coronavirus emergency situation the Welsh Government has again made available grant funding for billing authorities to deliver in 2021-22, the Retail, Leisure and Hospitality Rate Relief Scheme to reduce the rates payable to zero for qualifying properties. The Welsh Government has agreed to reimburse the Council in full for any awards made under the scheme and it is envisaged that around 1200 businesses will benefit from not having to pay rates by way of this relief.

The scheme will deliver:

1. 100% rate relief in 2021-22 for qualifying properties which are broadly used for retail, leisure or hospitality and have a rateable value of less than £500,000.

Proposal It is proposed that the Leader of the Council agrees to adopt the Welsh Government's Retail, Leisure and Hospitality Rate Relief Scheme for 2021-22 by making the appropriate determination and decision, as required by Sections 47(1)(a) and 47(3) respectively of the Local Government Finance Act 1988, and set out in the Appendix to this report

Action by Head of Finance to implement the Scheme and make discretionary awards using delegated powers.

Timetable Effective from 1 April 2021

Background

In response to the ongoing covid-19 pandemic and the effect on businesses Welsh Government has made available funding for billing authorities to deliver in 2021-22, an all Wales Retail, Leisure and Hospitality Rate Relief Scheme.

The Scheme is fully funded by Welsh Government and will enable those businesses that are in the retail, leisure or hospitality sector to benefit from not having to pay any business rates in 2021-22.

The scheme covers all businesses that occupy premises with a rateable value of less than £500,000 and operate in the retail, leisure or hospitality sector.

The means of making the awards of Retail, Leisure and Hospitality Rate Relief is the Council's discretionary powers under section 47 of the Local Government Finance Act 1988.

Under normal operating conditions the Council would make a formal determination (Section 47(1)(a)) and decision (Section 47(3)) to adopt the scheme so that this discretionary power may be exercised by the Head of Finance under delegated powers. However this is not possible due to the requirement to award the relief as soon as practicable to relieve the financial burden on affected businesses and issue correct business rate bills for 2021-22, therefore the Leader of the Council will make the determination on behalf of the Council.

The Council will be reimbursed for the rates income foregone as a result of the Scheme by way of a direct grant.

The Retail, Leisure and Hospitality Rate Relief Scheme forms part of a package of Welsh Government measures available to support businesses during the coronavirus covid-19 emergency.

The relief will be applied directly to all businesses identified as operating in one of the named sectors and no application is required. It is anticipated that there will be a small number of businesses where it is not possible to identify from rating records the nature of their business, these businesses will need to contact the Business Rates Team to claim the rate relief.

If the scheme is adopted, around 1200 businesses will benefit from not having to pay rates in 2021-22 and a rates bill for the new financial year will be issued showing the full relief before the first payment is due in April 2020. Any businesses subsequently identified that meet the criteria of the scheme will be issued with adjustment notices as soon as practicable thereafter.

Financial Summary

There are no direct financial implications to the Council in adopting the scheme. The full value of discretionary awards is reimbursed by the Welsh Government. Staff resources will be prioritised appropriately within the revenues team to meet the administration requirements of the scheme.

Links to Council Policies and Priorities

The adoption of the schemes fits with the Council's aims to improve the local economy, and the well-being of its citizens

Options Available and considered

- Adopt the Wales Retail, Leisure and Hospitality Rate Relief Scheme 2021-22
- Decide not to adopt the Scheme

Preferred Option and Why

Adopt the Scheme so that as many retailers as possible may benefit from not having to pay business rates.

Comments of Chief Financial Officer

This is a key part of the UK/WG support package for businesses and needs to be agreed by the Leader in absence of full Council meetings. This will enable the relief to be given before any payments are due and taken. The scheme is fully funded by Welsh Government and whilst the detail of that is not yet in place, the principle is.

Comments of Monitoring Officer

The proposed decision is in accordance with the Council's statutory powers under the Local Government Finance Act 1988 to grant discretionary business rates relief. This is a national scheme, which is fully funded by the Welsh Government and will enable the Council to grant rate relief for qualifying businesses in the retail, leisure or hospitality sector in 21/22. Full Council is required to make a formal determination under Section 47(1) (a) of the 1988 Act and a formal decision under Section 47(3) to adopt the scheme. The power to award discretionary rate relief in accordance with the scheme is then delegated to the Head of Finance under the officer scheme of delegation. The scheme needs to be adopted before 31st March and, therefore, the decision is too urgent to await the next meeting of full Council at the end of April. Therefore, this decision will need to be taken by the Leader of the Council in accordance with the urgent decision making powers under Standing Order 24.1, where a decision can be taken outside the budget framework when it is not practical to call a quorate meeting of full Council. The decision and the adoption of the scheme can be ratified by full Council in April and the reasons for the urgency in adopting the scheme in this way will be reported to the Audit Committee in due course.

Comments of Head of People and Business Change

There are no HR related issues arising directly from this report.

Adoption of the Welsh Government's Retail, Leisure and Hospitality Rate Relief Scheme is in line with the Council's Well-being Objective to "Promote economic growth and regeneration whilst protecting the environment" and will support the "Newport Offer" intervention within Newport's Well-being Plan.

The Scheme is funded by Welsh Government and will enable businesses that are in the retail, hospitality or leisure sector to not have to pay business rates in 2021-22. These sectors are of major importance to the local economy and labour market and taking up the available support would be in the Council's interests.

Resolution

(a) The Council determines that, unless hereditaments are excepted under (b) below, Section 47(1)(a) (discretionary relief) of the Local Government Finance Act 1988 will apply as regards the hereditaments described in 'The Scheme' in accordance with the rules described in relation to those hereditaments.

It is reasonable for the Council to make this decision having regard to the interests of persons liable to pay council tax set by the Council.

- (b) Relief is not available under this resolution in respect of any hereditament which is occupied by -
- the Welsh Ministers, a Minister of the Crown or government department,
 - any public authority (including any local authority),
 - the holder of any public office, or
 - the Crown
- (c) The Council decides, under Section 47(3) of the Local Government Finance Act 1988, that during the billing year 2021-22 'The Scheme' shall apply to the hereditaments described, and that the Head of Finance use his delegated powers to apply the relief.

The Scheme to be Adopted

Introduction

The relief is intended to be a temporary measure for 2021-22 only, aimed at businesses operating in the retail, leisure and hospitality sector in Wales, for example shops, pubs, restaurants and cafes.

The Welsh Government will provide relief, eligible retailers occupying premises with a rateable value of £500,000 or less in the financial year 2021-22.

Properties that will benefit from this relief will be occupied properties such as shops, hotels, restaurants, cafes and drinking establishments, with a rateable value of £500,000 or less on 1 April 2020.

Level of Support

Eligible ratepayers must be occupying premises and have a rateable value of less than £500,000 for the financial year 2021-22 and meet the criteria set out by Welsh Government, see appendix for full details.

State Aid

Whilst the UK left the EU on 31 January 2020, the Withdrawal Agreement negotiated by the UK Government and the EU provides that during a transition period State Aid rules will continue to apply as now and will be subject to control by the EU Commission as at present.

The UK Government has notified the EU of its intention to bring forward an immediate change to the UK's tax treatment of non-domestic property, in response to the ongoing Covid-19 emergency, and to seek clearance under Article 107(3)(b) of the Treaty on the Functioning of the European Union. Subject to this approval, the Expanded Retail Discount Scheme will become a notified state aid scheme. Once the notification has been approved by the European Commission, it will supersede the de minimis regulation as the appropriate cover for awarding the discount, meaning existing de Minimis limits will no longer restrict the provision of support.

APPENDIX

Non-Domestic Rates – Retail, Leisure and Hospitality Rates Relief in Wales 2021-22

Guidance

About this guidance

This guidance is intended to support county and county borough councils ('local authorities') in administering the Retail, Leisure and Hospitality Rates Relief scheme ('the relief'). On 3 March 2021, the Minister for Finance and Trefnydd announced the extension of the relief on a temporary basis for 2021-22. This guidance applies to Wales only.

This guidance sets out the criteria which the Welsh Government will use to determine the funding for local authorities for relief provided to retail, leisure and hospitality properties. The guidance does not replace any existing non-domestic rates legislation or any other relief.

Enquiries about the scheme should be sent to: localtaxationpolicy@gov.wales

T

he relief is being offered from 1 April 2021 and will be available until 31 March 2022.

Introduction

This relief is aimed at businesses and other ratepayers in Wales in the retail, leisure and hospitality sectors, for example shops, pubs and restaurants, gyms, performance venues and hotels.

The Welsh Government will provide grant funding to the 22 local authorities in Wales to provide the Retail, Leisure and Hospitality Rates Relief scheme to eligible ratepayers for 2021-22. The scheme aims to provide support for eligible occupied properties by offering a discount of 100% on the non-domestic rates bill for a property, to all eligible premises. The scheme will apply to all eligible ratepayers with a rateable value of £500,000 or less.

This document provides guidance on the operation and delivery of the scheme.

Retail, Leisure and Hospitality Rates Relief

How will the relief be provided?

As this is a temporary measure, we are providing the relief by reimbursing local authorities that use their discretionary relief powers under section 47 of the Local Government Finance Act 1988. It will be for individual local authorities to adopt a scheme and decide in each individual case when to grant relief under section 47. The Welsh Government will reimburse local authorities for the relief that is provided in line with this guidance via a grant under section 31 of the Local Government Act 2003 and section 58A of the Government of Wales Act 2006.

How will the scheme be administered?

It will be for local authorities to determine how they wish to administer the scheme to maximise take-up and minimise the administrative burden for ratepayers and for local authority staff.

Local authorities are responsible for providing ratepayers with clear and accessible information on the details and administration of the scheme. If, for any reason, an authority is unable to provide this relief to eligible ratepayers from 1 April 2021, consideration should be given to notifying eligible ratepayers that they qualify for the relief and that their bills will be recalculated.

Which properties will benefit from relief?

Properties that will benefit from this relief will be occupied retail, leisure and hospitality properties – such as shops, pubs and restaurants, gyms, performance venues and hotels across Wales. More detailed eligibility criteria and exceptions to the relief are set out below.

Relief should be granted to each eligible business as a reduction to its rates bill based on occupation between 1 April 2021 and 31 March 2022. It is recognised that there may be some instances where a local authority is retrospectively notified of a change of occupier. In such cases, if it is clear that the ratepayer was in occupation on or after the 1 April 2021, the local authority may use its discretion in awarding relief.

It is intended that, for the purposes of this scheme, retail properties such as, 'shops, restaurants, cafes and drinking establishments' will mean the following (subject to the other criteria in this guidance).

Hereditaments that are being used for the sale of goods to visiting members of the public

- Shops (such as florists, bakers, butchers, grocers, greengrocers, jewellers, stationers, off-licences, newsagents, hardware stores, supermarkets, etc)
- Charity shops
- Opticians
- Pharmacies
- Post offices
- Furnishing shops or display rooms (such as carpet shops, double-glazing, garage doors)
- Car or caravan showrooms
- Second hand car lots
- Markets
- Petrol stations
- Garden centres
- Art galleries (where art is for sale or hire)

Hereditaments that are being used for the provision of the following services to visiting members of the public

- Hair and beauty services
- Shoe repairs or key cutting
- Travel agents
- Ticket offices, eg. for theatre
- Dry cleaners
- Launderettes
- PC, TV or domestic appliance repair
- Funeral directors
- Photo processing
- DVD or video rentals
- Tool hire
- Car hire
- Estate and letting agents

Hereditaments that are being used for the sale of food and / or drink to visiting members of the public

- Restaurants
- Drive-through or drive-in restaurants
- Takeaways
- Sandwich shops
- Cafés
- Coffee shops
- Pubs
- Bars or Wine Bars

We consider assembly and leisure to mean the following.

Hereditaments that are being used for the provision of sport, leisure and facilities to visiting members of the public (including for the viewing of such activities) and for the assembly of visiting members of the public

- Sports grounds and clubs
- Sport and leisure facilities
- Gyms
- Tourist attractions
- Museums and art galleries
- Stately homes and historic houses
- Theatres
- Live Music Venues
- Cinemas
- Nightclubs

Hereditaments that are being used for the assembly of visiting members of the public

- Public halls

- Clubhouses, clubs and institutions

We consider hotels, guest & boarding premises and self-catering accommodation to mean the following.

Hereditaments where the non-domestic part is being used for the provision of living accommodation as a business

- Hotels, Guest and Boarding Houses,
- Holiday homes,
- Caravan parks and sites

Other considerations

To qualify for the relief, the hereditament should be wholly or mainly used for the qualifying purposes. In a similar way to other reliefs, this is a test on use rather than occupation. Therefore, hereditaments which are occupied but not wholly or mainly used for the qualifying purpose will not qualify for the relief. For the avoidance of doubt, hereditaments which closed temporarily due to the government's advice on Covid-19 should be treated as occupied for the purposes of this relief.

The above list is not intended to be exhaustive as it would be impossible to list all the many and varied retail, leisure and hospitality uses that exist. There will also be mixed uses. However, it is intended to be a guide for local authorities as to the types of uses that the Welsh Government considers for this purpose to be eligible for relief. Local authorities should determine for themselves whether particular properties not listed are broadly similar in nature to those above and, if so, to consider them eligible for the relief. Conversely, properties that are not broadly similar in nature to those listed above should not be eligible for the relief.

As the grant of the relief is discretionary, local authorities may choose not to grant the relief if they consider that appropriate, for example where granting the relief would go against the local authority's wider objectives for the local area.

Ratepayers may view that they have been able to continue trading at a substantial level during Coronavirus restrictions and as such would be inclined to not accept the relief. Arrangements for opting out of receiving relief should be made with the relevant local authority.

Types of hereditaments that are not considered to be eligible for Retail, Leisure and Hospitality Rates Relief

Any hereditament with a rateable value over £500,000.

The following list sets out the types of uses that the Welsh Government does not consider to be retail, leisure or hospitality use for the purpose of this relief and which would not be deemed eligible for the relief. However, it will be for local authorities to determine if hereditaments are similar in nature to those listed and if they would not be eligible for relief under the scheme.

Hereditaments that are being used wholly or mainly for the provision of the following services to visiting members of the public

- Financial services (eg. banks, building societies, cash points, ATMs, bureaux de change, payday lenders, betting shops, pawnbrokers)
- Medical services (eg. vets, dentists, doctors, osteopaths, chiropractors)
- Professional services (eg. solicitors, accountants, insurance agents, financial advisers, tutors)
- Post Office sorting offices
- Day nurseries
- Kennels and catteries
- Casinos and gambling clubs
- Show homes and marketing suites
- Employment agencies

There are a number of further types of hereditament which the Welsh Government believes should not be eligible for the relief.

Hereditaments that are not reasonably accessible to visiting members of the public

If a hereditament is not usually reasonably accessible to visiting members of the public, it will be ineligible for relief under the scheme even if there is ancillary use of the hereditament that might be considered to fall within the descriptions listed under *Which properties will benefit from relief?*

Hereditaments that are not occupied

Properties that are not occupied on 1 April 2021 should be excluded from this relief. However, under the mandatory Empty Property Rates Relief, empty properties will receive a 100% reduction in rates for the first three months (and in certain cases, six months) of being empty.

Hereditaments that are owned, rented or managed by a local authority

Hereditaments owned, rented or managed by a local authority, such as visitor centres, tourist information shops and council-run coffee shops or gift shops attached to historic buildings, are exempt from this scheme.

How much relief will be available?

The total amount of government funded relief available for each property under this scheme for 2021-22 is 100% of the remaining bill, after mandatory reliefs and other discretionary reliefs funded by section 31 grants have been applied, excluding those where local authorities have used their wider discretionary relief powers introduced by the Localism Act 2011 which are not funded by section 31 grants. Retail, Leisure and Hospitality Rates Relief should be applied against the net bill after other reliefs have been applied.

The eligibility for the relief and the relief itself will be assessed and calculated on a daily basis. The following formula should be used to determine the amount of relief to be granted for a particular hereditament in the financial year.

Amount of relief to be granted = V , where V is the daily charge for the hereditament for the chargeable day after the application of any mandatory relief and any other discretionary reliefs, excluding those where local authorities have used their discretionary relief powers introduced by the Localism Act 2011 which are not funded by section 31 grants.

This should be calculated ignoring any prior-year adjustments in liabilities which fall to be liable on the day.

Ratepayers who occupy more than one property will be entitled to Retail, Leisure and Hospitality Rates Relief for each of their eligible properties.

Retail, leisure and hospitality properties which are excluded from Small Business Rates Relief due to the multiple occupation rule are eligible for this relief scheme.

Changes to existing hereditaments, including change in occupier

Empty properties becoming occupied after 1 April 2021 will qualify for this relief.

If there is a change in occupier part way through the financial year, after relief has already been provided to the hereditament, the new occupier will qualify for the relief if they operate in the retail, leisure or hospitality sectors on a pro-rata basis based on the remaining days of occupation using the formula used in the section titled *How much relief will be available?*

The discount should be applied on a day-to-day basis using the formula set out above. A new hereditament created as a result of a split or merger during the financial year, or where there is a change of use, should be considered afresh for the discount on that day.

State Aid

Following the end of the transition period for the United Kingdom leaving the European Union on 31 December 2020, EU State Aid regulations only apply in limited circumstances. As the relief is not funded by EU residual funds, EU State Aid regulations no longer apply for this scheme. As of 1 January 2021, the UK Subsidy Regime came into force. The scheme has been viewed to be outside the scope of any international trade agreements as measures are focused locally within Wales
