School Admission Arrangements

Options Considered/Reasons for Decision

In accordance with Welsh Government's statutory School Admissions Code, the Council was required to undertake an annual consultation on admission arrangements in the school year beginning two years before the school year in which the arrangements applied.

Accordingly, a consultation was launched on 1 December 2020 and concluded on 12 February 2021 in relation to the proposed admission arrangements for September 2022 onwards. A consultation report was drafted which described the consultation process and feedback received.

Whilst the consultation report was attached at Appendix 1 for reference, this decision report referenced the content and recommended that the admission arrangements be determined as outlined in the consultation document. In accordance with the statutory code, these arrangements must be determined by 15 April 2021.

Decision

That the Cabinet Member for Education and Skills determined and set the Council's school admission arrangements for September 2022 as outlined in the recent consultation with stakeholders, incorporating the revised wording in the section on home to school distance.

Head of Law and Regulation, Head of People and Business Change and Chief Education Officer.
