#### **Graffiti Policy**

#### **Options Considered/Reasons for Decision**

The City Services area wanted to improve management of graffiti across Newport and have already taken steps and increased resources to enable this, with the aim of significantly reduce current levels of graffiti, both on NCC property and property managed by third parties.

However, operations need to be backed by an official policy in place that can provide a framework for the actions to be taken to tackle graffiti. The policy sets out our response rates and the support we shall provide to third parties. It also sets out what enforcement action will be taken if graffiti is not removed voluntarily.

#### **Decision**

That the Deputy Leader/ Cabinet Member for City Services approved the Graffiti Removal Policy.
