Private Hire / Hackney Carriage Licenses

Decision

Driver AJA

After the Licensing Panel carefully considered the Officer's report and the driver's denial to the allegations against him, the Licensing Panel acknowledged that the applicant disputed that the CCTV footage was from a bus and further disputed that it was his vehicle that carried out the overtaking maneuver in the CCTV footage. The Licensing Panel considered the evidence presented by the Licensing Team, the relevant provisions of the Highway Code and concluded that it was the driver's vehicle that carried out the overtaking maneuver which warranted the revocation of the driver's Private Hire license with immediate effect.
