Draft Minutes

Overview and Scrutiny Management Committee

Date: 4th February 2022

Time: 10am

Venue: Microsoft Teams Meeting

Present: Councillors L Lacey (Chair), P Hourahine, M Al-Nuaimi, Y Forsey, C Ferris, M Evans and F Hussain, Rhys Cornwall (Strategic Director for Transformation and Corporate), Meirion Rushworth (Head of Finance), Robert Green (Assistant Head of Finance), Amie Pask – Garwood (Service Manager Accountancy), Connor Hall (Scrutiny Advisor), Anne Jenkins (Governance Team Leader), Samantha Schanzer (Governance Officer)

Apologies: None.

1. Apologies for Absence

None

2. Declarations of Interest

None.

3. Minutes of the Previous Meeting: held 21st January 2022

A committee member requested further clarification on page 3 of the minutes regarding members attendance.

A committee member asked for an update on the Economic Development Strategy mentioned on page 8.

The minutes of the previous meeting held 21st January 2022 were **accepted as a true and accurate record**.

4. 2022-23 Budget and Medium Term Financial Projections

Invitees:

Rhys Cornwall – Strategic Director for Transformation and Corporate
Meirion Rushworth – Head of Finance

The Head of Finance introduced the report.

The Head of Finance informed committee that the detailed proposals were renewed in the two service-based Scrutiny Committees.

The Head of Finance noted that there had been a different process this year as there were no budget savings.

The Head of Finance informed committee that the key assumption had been Welsh Government funding. The Head of Finance highlighted the optimistic view taken within the proposal based upon the previous years' budget settlements. The Head of Finance noted that they had remained careful despite this optimism and wanted to be realistic in their optimism and have alternative plans if the settlement was lower than expected.

The Head of Finance highlighted that the budget draft settlement had been received from Welsh Government later than usual. The Head of Finance noted that it had been a large settlement across the sector that had been above optimistic assumptions.

The Head of Finance highlighted that Welsh Government had signalled that the settlement needed to cover the increase in social care workers' pay to the national living wage, and there being no Hardship Fund going forward.

The Head of Finance informed committee that Welsh Government had been able to provide a medium-term settlement.

The Head of Finance informed committee that consultation is ongoing.

The Strategic Director for Transformation and Corporate reiterated that they were in a different situation than previous years due to the increased allocation and good settlement. The Strategic Director informed committee that consultation had taken a different form as a result as there were no specific savings, and instead the focus had been put on the proposed increase to council tax, investment proposals and fees and charges.

The Strategic Director informed committee that they had also undertaken engagement activities throughout the year with the public regarding their prioritisation of services. The Strategic Director noted that they had received almost 1000 responses prior to the budget settlement that indicated a general prioritisation of schools, children's and adult services, city services, and homeless support.

The Strategic Director noted that the current consultation was being undertaken primarily online.

The Strategic Director raised comments made by committee in the previous year:

- The Strategic Director highlighted that social media usage had been raised previously and now was being used regularly to feature the consultations. The Strategic Director noted that pop up advertisements were not being used as they had a negative response.

- The Strategic Director noted that the comment regarding engagement with schools in the previous year and that all consultation messages have been sent to all Newport schools.
- The Strategic Director informed committee that the Connected Communities teams were working with “hard to reach” communities to ensure their visibility and engagement as requested by committee in the previous year.

Councillor Forsey raised the following points reporting back from her attendance in other scrutiny meetings:

- The Place and Corporate committee felt relieved at their being no cuts and therefore not having to choose between cuts no one wanted to enact. The committee welcomed the investment in schools but were concerned with inflation. The committee welcomed the increase in provision for the rough sleepers budget. The Finance Officer present explained how the Council had been affected by lack of fees for room hire and leisure services, and that the council had been able to claim for these through the Hardship Fund, which has supported offsetting some financial aspects of the pandemic
- The People committee welcomed the budget and also were relieved that no cuts were necessary. The committee welcomed the investment in schools and the provision of free school meals for all children throughout the year. The committee also welcomed the increase in pay for social care workers, as well as work done to bring children in care back into the local area. The committee discussed the pressure on school places in some areas, and felt that there was a lack of clarification on the size of new schools being built on housing estates being determined and that there were discrepancies between predictions for places and actual applicants.

Questions:

A committee member felt hopefully about the budget proposals and welcomed the investments and growth. The committee member asked whether schools and social care establishments had been consulted.

- The Strategic Director informed committee that the Schools Forum had been consulted on the overall budget. The Strategic Director felt that schools would be pleased. The Strategic Director noted that there were ongoing negotiations with care providers.
- The Head of Finance informed committee that they were engaging and receiving feedback from primary and secondary schools’ Headteacher’s bodies. The Head of Finance acknowledged that the efforts of the individual schools and that the Welsh Government funding had helped. The Head of Finance noted that the free school meals were not in this budget as there was direct funding from the Welsh Government for this.

A committee member felt that without having seen the consultation data, they were unable to be constructive with recommendations or comments.

- The Strategic Director agreed that this was a valid point and felt in future there may be need to review the timings of meetings and process.
- The Head of Finance felt that expanding the conversation to include budget planning might be helpful. The Head of Finance noted the quick turnaround period and the limitations it created.

A committee member noted that they were pleased to see schools advertising the budget consultation and asked whether there was any indication of responses yet.

- The Service Manager Accountancy informed committee that there had been 556 through bus Wi-Fi and 72 other responses.

A committee member highlighted that there had been an increase in the grant from Welsh Government for the increase in properties in the city and asked what order of assumption had been made for this?

- The Head of Finance informed committee a large settlement had been received for the current financial year due to a correction to the data that drives the distribution of total funds. The Head of Finance informed committee that Newport gets bigger percentage share every year mainly due to population growth and the young population growing at greater rate than most other council areas in Wales. The Head of Finance noted that is normally taken account of in budget planning and was always a judgement call as it is the size of the total funds that matter, and that they try to be prudent but reasonably optimistic.

5. Conclusion of Committee Reports

The committee noted the comments regarding receiving consultation data sooner to enable them to be more constructive in their recommendations and comments.

A committee member asked whether the increase to council tax had been discussed at the previously mentioned Scrutiny meetings.

- Councillor Forsey confirmed it had been addressed in the Place and Corporate committee meeting.
- The Scrutiny Advisor confirmed that it had been mentioned in the report at hand, and while hadn't been brought up during the presentation, questions could be passed to the relevant Officers.

6. Scrutiny Advisor Reports

The Scrutiny Advisor informed committee that the recommendation to clarify questions within the Welsh Language Strategy questionnaire had been completed and that the full strategy would be published in both English and Welsh.

The Scrutiny Advisor informed committee that the Economic Development Strategy would receive an update in the 28th February 2022 meeting for Place and Corporate.

- A committee member asked why the strategy had been taken from this committee and given to the Place and Corporate committee.
- The Scrutiny Advisor assured committee that he would ask for clarification.

7. Date of the Next Meeting

29th April 2022

Scrutiny Report

[Overview and Scrutiny Management Committee]

Part 1

Date: June 2022

Subject Annual Welsh Language Monitoring Report 2020 - 21

Author Policy and Partnership Manager

The following people have been invited to attend for this item:

Invitee:	Area / Role / Subject	Page Numbers
Tracey McKim – Head of People, Policy and Transformation	Head of People, Policy & Transformation	
Janice Dent – Policy and Partnership Manager	Policy and Partnership Manager	
Hywel Jones – Welsh Language Policy Officer	Report author	

Section A – Committee Guidance and Recommendations

1 Recommendations to the Committee

The Committee is asked

1. Whether the Annual Report reflects a true and fair account of the council's Welsh language performance over the period in question – 2021 – 2022.
2. Whether the Annual Report highlights the ongoing commitment to the Welsh language effectively and focuses on appropriate successes and highlights successes and good work
3. Whether the Annual Report highlights the ongoing commitment to the Welsh language effectively and focuses on appropriate areas for development
4. Whether it wishes to provide comment and recommendations on the Annual Report to Cabinet

2 Context

Background

- 2.1 The Council is required to report annually on its progress in complying with the Welsh Language Standards under the Welsh Language (Wales) Measure 2011.

The annual report has been prepared in accordance with Welsh Language Standards 158, 164 and 170, and will highlight how Newport City Council has complied with the Welsh Language Standards which were imposed on the authority by the Welsh Language Commissioner, set out in Newport City Council's Compliance Notice.

The statutory deadline for publishing the annual report is 30th June 2022 on the council's website, with relevant notification and advertising of publication via relevant channels, including social media.

This report covers the sixth year of implementing the Welsh Language Standards following the imposition of the Compliance Notice in March 2016. The report provides an overview of the Council's progress in meeting the Welsh Language Standards, generic overview of Welsh language performance, reviews

As well as outlining the authority's general compliance, this report also contains the specific information required to be published annually by the Standards. Inclusive of data on the number of complaints we have received, the Welsh language levels of our staff and the level of Welsh we require on all vacant and new posts we have advertised during the financial year.

Previous Consideration of this item

- 2.2 Summarise when the Committee has looked at this previously – include what was discussed and any outcomes that were recorded. If appropriate, you can also include any Cabinet / Officer responses to the Committees comments.

3 Information Submitted to the Committee

- 3.1 Summarise the information that is attached to this report – including the appendices.
- 3.2 For detailed /extensive reports - include a breakdown of the report – subheadings or summarise what the report covers.

4. Suggested Areas of Focus

The role of the Committee in considering the report is to:

- Consider and make comment on the content of the Annual Report and key achievements as outlined
- Consider and determine if the drafted and published Welsh language related strategies and policies are in line with the Council's vision for the Welsh language and meet the necessary statutory obligations
- Determine whether the content of the report is a true reflection of the council's Welsh language performance in 2021-2022

- Conclusions:
 - What was the overall conclusion on the information contained within the report?
 - Is the Committee satisfied that it has had all of the relevant information to base a conclusion on the quality of the Annual Report?
 - Do any areas require a more in-depth review by the Committee?
 - Do the Committee wish to make any Comments / Recommendations to the Cabinet?

Suggested Lines of Enquiry

4.1 The Committee may wish to consider:

- How progress of compliance against the Welsh language standards is monitored
- Is the report a fair and honest reflection of current performance
- Whether all staff members, senior management and relevant stakeholders are effectively engaged effectively to deliver against the Welsh Language Standards

Section B – Supporting Information

5 Supporting Information

- 5.1 [Newport's Welsh Language Standards](#)
[Newport's Implementation Plan](#)
[Newport's draft Welsh in Education Strategic Plan](#)
[5 Year Strategy 2022 - 2027](#)
Welsh Language Skills Policy

6 Links to Council Policies and Priorities

The Annual Monitoring report outlines the council's performance against statutory obligations as noted in the compliance notice, performance in line with key policies and provides a high-level review of activities deliberately aligned with Newport's wellbeing objectives, to build cohesive and sustainable communities, and to improve skills, education and employment opportunities.

The report shows how the council's vision for the people of Newport to "see, hear, learn, use and love the Welsh language" fits with creating a modernised workforce as set out in the Corporate Plan and how activities help maximise opportunities to develop our Welsh speaking workforce.

The report also shows how the council, in addition to complying with the Standards, is through the additional work with the Welsh language is contributing to Welsh Government's Strategy, [Cymraeg 2050: A million Welsh speakers](#) which sets out a vision for achieving 1 million Welsh speakers by the year 2050.

Delivery of the Welsh Language Skill Policy will aid the council increasing its capacity and capability of complying with the Welsh Language Standards, help create a modernised council, improve skills and create employment opportunities.

Complying with the Standards, implementing the 5 Year Strategy and supporting deliver of the Welsh in Education Strategic Plan will help create a Wales of, "*vibrant culture and thriving Welsh language.*"

7 Wellbeing of Future Generation (Wales) Act

Activities in relation to delivery of compliance with the Standards contained within the Compliance Notice and the 5 Year Strategy will help deliver a Wales of, "*vibrant culture and thriving Welsh language.*"

The report covers the work undertaken with the Right Skills Board, stakeholders and partners to raise awareness of the Welsh language across all of Newport's diverse communities. The key themes and actions in the report underpin them and balance short term needs with the delivery of medium to long-term solutions.

It identifies key successes and challenges for the Welsh language in Newport, and shows how the council has worked towards compliance with the Welsh language standards and promoted Welsh across the diverse communities of Newport increasing the visibility of the language across the city.

Highlighting the key achievements, development of new policies and monitoring performances across the council will help the achieve a number of goals and targets and will contribute to the Wellbeing Goals of a prosperous Wales, a more equal Wales, a Wales of cohesive communities and a Wales of vibrant culture and thriving Welsh language.

8. Background Papers

Include all additional documents that are referenced in the report, and those that you have used as background reading. Hyperlink to online versions of them if available.

- 7. Overview of work against Standards**
- 8. Looking forward**

Foreword by Cabinet Member for Organisational Transformation

Foreword by Chief Executive

For a second successive year, the council, like other public sector services across Wales, faced continuing challenges due to the ongoing situation with the pandemic. We were required to continue adapting, reassessing our priorities, and considering new ways of working; whilst ensuring the people of Newport were supported, safe, and continued to receive essential services.

However, despite another difficult year, the council remained committed to the Welsh language and delivering bilingual services. We worked closely with our Welsh language partners, and stakeholders to respond to some of the challenges that they have faced over the last 12 months.

I am encouraged by our continued work with a wide range of partners to raise the profile of the Welsh language in Newport and particularly of the work we are delivering with our One Newport stakeholders. Through the Newport Right Skills Board we are working hard to create a uniform identity, share good practice and promote the Welsh language as a skill, which establishes Newport as a city where Welsh language and culture is truly thriving.

This year's annual report sets out our compliance with our Welsh Language Standards and includes data that we are required to publish for the 2021/2022 financial year. We again recognise that whilst we have made good progress in a number of areas in challenging circumstances, we must continue work to improve our Welsh language performance across all aspects of the council's functions.

1. Legislative Context

This annual report has been prepared in accordance with Welsh Language Standards 158, 164 and 170, and will highlight how Newport City Council has complied with the Welsh Language Standards which were imposed on the authority by the Welsh Language Commissioner, set out in [Newport City Council's Compliance Notice](#).

As well as outlining the authority's general compliance, this report also contains the specific information required by the Standards to be published annually. This includes data on the number of complaints we have received, the Welsh language levels of our staff, the training we offer through the medium of Welsh, and the level of Welsh we require on all vacant and new posts we have advertised during the financial year.

2. Introduction

This year, the council has continued to face several challenges presented by the on-going situation with regards the pandemic, COVID restrictions, and continued advice to work-from-home meaning there have been limited opportunities to engage with staff and communities across Newport. The council has needed to focus on adapting to new ways of working and continuing to deliver services to our citizens whilst ensuring staff are safe, and navigating the shifting risks associated with an on-going global pandemic.

We have had to continue a flexible response to COVID-19, reassessing priorities, and redeploying resources. These challenges were recognised and acknowledged by the Welsh Language Commissioner, whilst still recognising the need, and value of providing bilingual services.

One of the most significant challenges for the council, repeated this year, has been the continued restrictions placed on face-to-face engagement, particularly at a time when we had been focussed on improving the promotion of Welsh language across our communities.

As the level of restrictions lightened, we successfully implemented a Welsh in the Community Grant scheme to support activities across Newport in promoting the Welsh language and managed a soft launch of our Many faces of Welsh-ness campaign, as way of creating a Welsh identity and inclusiveness across Newport's communities and were able to appoint a Welsh language promotion officer.

Despite the restrictions associated with the pandemic, we have been able to engage with our partners in new ways, reflect on our internal processes, and adapt to new ways of working which look set to continue.

The Welsh Language Standards continue to provide the council with a framework within which to work towards the Welsh Government's aspiration of delivering bilingual public services.

Work continued during the year to revisit and develop a new version of the Welsh in Education Strategic Plan and to update the 5 Year Promotional Strategy to inform policy, plans and work programmes across the council to help achieve Welsh Government's Cymraeg 2050 Strategy.

This annual report provides updates on positive progress made this year, as well as identifying areas for continued development. The council continues to invest in the Welsh language, both to support

internal compliance with standards, and facilitate partnership and community initiatives. Our Welsh language work also continues to be supported by an Elected Member Champion.

3. Key Achievements

Welsh Language Promotion Officer

As noted in last year's report, the council revisited the post and were able to reappoint during the autumn. The remit continues to include engagement with Black, Asian, and Minority Ethnic communities in the Pillgwenlly area of Newport to promote Welsh medium education and promotion of Welsh medium education in general. To do this they have developed a Promotion Plan, which will be delivered and monitored with colleagues in the Education department and relevant stakeholders. The role also includes the promotion of Welsh in general to both staff and residents of Newport.

Our officer worked closely with schools and community stakeholders to support and develop a Promotion Plan that will align the outcomes of the Welsh in Education Strategic Plan and general education targets. They will play a key part in developing the governance and monitoring of the plan during the forthcoming year.

The officer has also assisted the four Welsh medium school Headteachers along with a project manager to develop several workshops and resources to be uploaded to HWB. This has helped pupils develop their skills as a result of the education they missed during the lockdowns.

Internally, they supported promotional activities for staff, including a bilingual St David's Day Newsletter and supported the delivery of Welsh Language Awareness sessions.

Welsh in the Community Grants

The Council made funding available to support local community groups, organisations, and individuals to promote, facilitate and increase the use of the Welsh language across Newport. The grants, which had to be applied for, were for those who wished to develop small projects that would

- Promote the use of Welsh in the community
- Increase the use of Welsh in social and non-educational environments.
- Increase of the visibility of Welsh in Newport
- Support Welsh speakers and learners across the city to use, practice and develop their skills.

The funding available was for a variety of spends, and could include but was not limited to:

- Purchase of supporting materials that to enhance communications or widen its reach
- Covering the costs of an event or activity in the local community.
- Purchase of new equipment and that will promote and support the use of the Welsh language
- Costs associated with developing support materials and networks.

Further to the Welsh in the Community Grant scheme we received:

- 13 applications from a variety of Community Groups
- an overall application value of £32,614.79

These projects cover a variety of activities and community groups, with some of the projects 100% funded as a result of the scheme.

The council received a number of excellent applications from community groups, stakeholders and a national group operating in Newport- these included Capel Mynydd Seion for a Welsh medium community radio station, Mudiad Meithirin to promote Welsh medium nursery activities and The British Red Cross to support and increase the use, awareness, and visibility of the Welsh language by specifically targeting refugees/asylum seekers and wider Black, Asian and Ethnic Minoritised communities.

A full list can be found in Appendix One.

Policies & Strategies

Over the past 12 months, despite the continuing limitations on community and stakeholder engagement, the council successfully drafted and published several new Welsh language related strategies and policies.

Welsh in Education Strategic Plan (WESP)

This includes the Welsh in Education Strategic Plan 2022-2032, supported by the Welsh language officer and Welsh language promotion officer and engagement events with the Welsh Education Forum members. The plan has passed through relevant channels and has been approved by full council and is now with Welsh Government for approval.

Welsh Education Promotional Plan

The Welsh Language Promotion Officer has drafted a promotional plan that will help deliver the outcomes listed in the WESP as well as list activities the council and stakeholders will undertake to promote Welsh medium education across Newport. Input from stakeholders who are member of the promotional group has been considered.

Welsh Language Skills Policy

During the last year a new Welsh language skills policy has been drafted and agreed by senior managers and will become live at the start of the new financial year. Work in preparation for the policy has been delivered by the HR & OD Business Partner supported by the Welsh Language Officer. This will include the adoption of the ALTE framework as a means of assessing linguistic ability in Welsh, all posts being advertised as Welsh desirable as a minimum and a Cymraeg Clir policy to help support and develop confidence across all Welsh speakers across the council.

5 Year Promotional Strategy

Our vision for the Welsh language is: ***“See, Hear, Learn, Use, Love”*** and for everyone in Newport to use, see and hear Welsh as a living language in all parts of life across the city across all the diverse communities.

To ensure this was reflected in the Strategy, it has been informed by the people living in Newport, Welsh language stakeholders and feedback from internal and external partners. During 2021 we

launched a number of community surveys to find out more about what people in Newport thought about the Welsh language and inform the focus of our strategic themes. Around 600 responses were received. The Strategy has been structured around 3 strategic themes to deliver our vision, considering our consultation findings, the linguistic profile of the city, our existing Welsh language priorities, and our aspirations for Welsh language growth - Theme 1: Communities and Culture, Theme 2: Education and Theme 3: Employers and Skills.

Promoting Bilingual Education

Working with colleagues in the Connected Communities Team, we identified a number of community languages in Newport; we then arranged and facilitated the translation of the Council's "Becoming Bilingual" parents' booklet into 12 different languages.

Welsh Language Promotion

In addition to the work of our Promotion Officer, the council has also:

- Continued to promote key dates throughout the year to communities and staff, including St David's Day and Diwrnod Shwmae
- Sponsored and supported Gŵyl Newydd, the annual Welsh language festival, this year delivered over digital platforms and hosted on ap AM. It included videos of 4 bands at iconic Newport sites.
- Continued to provide representation on local forums including Mwy na Geiriau, Fforwm Iaith and Rhwydiaith

Employment and Skills

The Right Skills Board, which reports to One Newport, our Public Service Board (PSB), is a partnership forum which aims to ensure that people can access skills and education programmes that support a life well-lived. This aligns with sustainable current and future local employment opportunities, enabling individuals and communities to achieve their potential.

This year, we have created a Task and Finish group that will review and scope the current position regarding Welsh language skills levels across Newport's PSB members, the third sector and others. This will consider recommendations on how we can work together to promote and support the development of Welsh language skills across the city. The group are currently developing a series of cross-cutting recommendations to be considered by the Board.

The council has continued to work with Careers Wales to support the creation of a number of events to promote the use of Welsh in the workplace, Welsh language careers and events through the medium of Welsh.

We have presented the completed research aimed at better understanding the gaps in Welsh language skills across childcare and early years education to the Welsh Language Implementation Group. As a result, the education department have been working at meeting with Careers Wales to develop a programme and sessions to promote careers in this area. Over the next 12 months we will look to present the findings to other relevant groups.

Looking back on 2021/22

Following a year that necessitated a focus on the delivery of essential services to our communities, and limited some of our planned Welsh language work, we aimed to carry over a number of previously identified priorities. The year continued to present a number of challenges as opportunities to engage in the way we had planned were again impacted by the continued situation.

However, we did manage to continue:

- Working with our refugee, migrant and minority ethnic communities to better embed Welsh language as part of a shared sense of identity across the city, particularly in the context of the development of our fourth Welsh medium primary school
- Improve, develop, and begin to deliver a new Welsh Language Skills Policy. Processes have now been implemented and put in place to allow delivery next year.
- Developed creative partnership arrangements outside of the public and voluntary sector to raise the profile of the Welsh language across Newport. This included working with the Dragons rugby region and Newport County AFC to promote the Welsh language.

We also continued to:

- Engage and consult with key stakeholders and our communities to inform the development of our new 5-year Welsh Language Strategy which has been passed with the full support of Council.
- Adopting a number of Clear Cymraeg principles to better encourage staff to use Welsh in the workplace as part of our Welsh Language Skills policy.
- Deliver a cohesive approach to Welsh language skills development across our PSB partners through the Right Skills Board

4. Monitoring

A. Welsh Competency requirements on new posts (all posts)

The Council's Human Resources (HR) team undertake a Welsh Language Assessment for all new or vacant positions advertised via our normal recruitment process using our HR system, iTrent. Positions reviewed as part of restructuring are not subject to a Welsh language assessment as they fall outside of this standard process.

No. of new posts 2017/18	No. of new posts 2018/19	No. of new posts 2019/20	No. of new posts 2020/21	No. of new posts 2021/22

Total	392	

B. Complaints

Welsh language complaints received from the public are recorded by our Contact Centre via the Council's Customer Relationship Management (CRM) system, meaning that all Welsh language complaints are accurately recorded and shared with appropriate officers to action. Complaints are also a standing agenda item at the council's Welsh Language Implementation Group where restorative actions and learning are discussed. This includes complaints received from the public, or through the Welsh Language Commissioner's Office.

In 2021/2022 the council received 4 complaints in total: 2 direct to the Council and 2 via the Welsh Language Commissioner's office.

Direct Complaints

In relation to the complaints received direct to the Council, one is ongoing and will be reported as part of the 2022/2023 report as it is ongoing. The second complaint had also been received via the Welsh Language Commissioner and is currently subject to their complaint's procedure, this will also be reported upon in next year's report.

Welsh Language Commissioner

As noted, the council received 2 complaints from the Welsh Language Commissioner's office, one complaint is still open and will be reported upon next year.

The second complaint related to a new supplier form. It has been rectified and closed with the council reminded that it needs to continue to promote Welsh language services. We revisited the process regarding offering a Welsh language service / forms via a soft-touch approach and trained those in the relevant department regarding our Welsh Language obligations and awareness.

Further to the cyberattack and ransomware incident at the Welsh Language Commissioner's Office, we continue to support and provide updates as requested in relation to historical data.

C. Training

Under Standard 128, the authority is mandated to offer training programmes through the medium of Welsh on the following courses:

- Health and safety for managers
- Corporate induction
- Performance management
- Corporate management induction

Of the courses offered in Welsh, none were requested by members of staff, as such attendance was 0% for staff completing these courses through the medium of Welsh.

D. Welsh Language Training

Due to the ongoing situation during the past year with the pandemic, working from home situation and additional work pressure, the group established by the council to test the effectiveness of the 'Say Something in Welsh' app has still be unable to function fully. The group consisted of front-line staff and senior managers. Operational requirements and additional work pressures created by COVID-19 meant that this was not progressed as expected. We will be revisiting this group when possible with a view to adding the app to our training provision should it prove effective.

The on-going pandemic also had a significant impact on the delivery of classroom-based Welsh language training, as arrangements were made to deliver the courses virtually and working from home continued to impact classroom-based training. Internal Welsh language awareness training was also impacted, although as the council adapted to working from home, elements of the course have been delivered virtually with an increase in attendances.

We hope to address this in 2022/23 with the rollout of our commissioned Welsh language videos, which will be mandatory for all staff and easily accessible whilst working remotely.

F. Overview of work against Standards

Service Delivery Standards

Our planned review of our compliance with Service Delivery Standards was affected again this year due to the ongoing situation with the pandemic, but the authority continues to demonstrate positive progress, particularly through the positive attitude displayed towards the Welsh language by staff. Consistency of service delivery across the organisation still proves challenging, however, as Service Delivery Standards relate to frontline services for members of the public, these Standards will remain a priority for us, our Welsh Language Implementation Group, and within our corporate action plan. Staffing and recruitment continues to be difficult and presents the authority with significant challenges in a continuation of service delivery.

Policy Making Standards

The updated Fairness and Equality Impact Assessment process has been published and training delivered to key staff members involved in the decision-making process across a variety of service areas. Staff training focused on the effective use of FEIA to improve decision making and has aligned Cabinet, Scrutiny and Council Report templates to ensure decision makers are aware of their responsibilities. Welsh Language continues to sit within the Council's Policy, Partnership and Involvement Team, a placement that fosters positive links between the creation of corporate policy and promotion of Welsh Language.

Operational Standards

Our HR department continues to work to ensure compliance with Operational Standards across a number of business areas. A subgroup of the Welsh Language Implementation Group drafted a new Welsh Language Skills Policy that included a series of recommendations around internal Welsh language skills. Presented to the Corporate Management Team (CMT) it included a review of our recruitment processes, our internal Welsh language policy, and the way that we measure and monitor the Welsh language skills of our staff. Recommendations were made to the Group, and our Corporate Management Team early in 2021. Our HR team have put in place the infrastructure to deliver the new policy from April 2022.

Promotion Standards

Our new [5 year Promotion Strategy](#) has been passed by Cabinet and Full Council, and was positively received in terms of the direction of travel and drive to ensure Welsh is inclusive and accessible to all of Newport's diverse communities. It aims to bring together the work with stakeholders, other council services areas and the Welsh in Education Strategic Plan 2022-2032. It also drives the inclusion of the Welsh language with the Right Skills Board and our Public Service Board (PSBs) members to ensure consistency in the way Welsh is monitored as a workplace skill. Within the Strategy we also aim to ensure the people of Newport can, "**see, hear, learn, use and love**" the Welsh language. The Council also continues to have a Welsh Language Elected Member Champion (Councillor Jason Hughes) who supports the promotion of Welsh language both across the city and council. The council is a member of the Fforwm Iaith, co-ordinated by Menter Iaith Casnewydd, and attended by key Welsh language stakeholders.

Record Keeping

The council has a Customer Relationship Management (CRM) system, which has improved the way that we record complaints relating to Welsh language and customer information about language choice. The council use the HR system, iTrent, to monitor and keep records on the Welsh language skills of employees, attendance at relevant training courses and Welsh language assessment of vacant posts.

Performance Monitoring

The council continues to review the way in which it monitors the implementation of Standards across the organisation. An Implementation Plan, Organisational Plan and Individual Service Plans for specific Welsh Language Standards owned by an identifiable service area have been developed. The delivery of these plans is monitored by our Welsh Language Implementation Group and key performance indicators included in our corporate performance management system. This will allow for organisational and service area level data to be easily accessed and monitored. Welsh language performance measures are already included within the council's performance and risk management framework which is reported on quarterly and within our corporate annual report.

G. Looking Forward to 2022/2023

Following another year which necessitated a focus on the delivery of essential services to our communities, and staff continuing to work from home with limited scope to undertake engagement projects with Newport communities, we aim to carry over several priorities which were identified last year and include new ones to build on the foundations that have been laid, including:

- Working with our refugee, migrant and Minoritised Ethnic communities to better embed Welsh language as part of a shared sense of identity across the city, particularly in the context of the development of our fourth Welsh medium primary school
- Implementing our new Welsh Language Skills Policy, which has been agreed by senior management and includes adopting the, Cymraeg Clir principles, noting roles as Welsh desirable as a minimum and ALTE skills framework to record and monitor Welsh language skills in the workplace, and better using this data to inform strategic planning
- Build on the creative partnership arrangements developed outside the public and voluntary sector to better raise the profile of the Welsh language across Newport with opportunities at the Dragons rugby region and Newport County AFC
- Working with our neighbourhood hubs in each area of the city to promote better engagement with council services through the medium of Welsh
- Delivering a cohesive approach to Welsh language skills development across our PSB partners through the Right Skills Board

We have also identified several new priorities, including:

- Working with stakeholders and partner to deliver the new 5-year Welsh Language Strategy and embedding a performance monitoring framework to assess delivery of objectives
- Engaging with all of Newport's diverse communities to promote the Welsh language, raise awareness and visibility of the language and continue to develop Welsh medium education and the inclusivity of the language
- Embedding our new performance management structure across the council
- Rolling out our newly developed Welsh language training videos to all staff
- Scope and consider Welsh language courses for lapsed speakers, or those that need a confidence boost

For further information about our Welsh language work, please contact nccequality@newport.gov.uk

Appendix One

Overview of Projects

1Miliwn Ltd

To build and launch an exhibition style Welsh language fair with pop-up stands and a list of other high-profile businesses/organizations, initially aimed at school pupils to promote Welsh as a skill.

Grant will be used for: Each student's general admission, Equipment/Goods/Giveaways/Prizes, Stands/Stalls, 1Miliwn staff, 1Miliwn camera crew/production, Covid/Sanitary stations, and general expenses.

Welsh Roman Legion Museum

A project to create a new Welsh language learning resource for the museum created alongside the Welsh Language Centre to ensure all levels of learners are supported and to deliver an event for families, including activities to support children in Welsh-medium schools and to promote the language to non-Welsh speaking children.

Grant will be used for: Writing a Learning Welsh resource for adults, planning, printing, event for families, staff time.

Cylch Meithrin Caerllion

The project is to host an open day which intends to raise awareness of the new Cylch Meithrin, promote Welsh medium nursery provisions, create a fun day for families, and support families towards Welsh medium education.

Grant will be used for: Room hire & refreshments, hiring entertainment/personalities/characters, staffing, session vouchers, goodie bags, operational costs, advertisement, Welsh language resources.

Y Groes Goch Brydeinig/The British Red Cross

To support and increase the use, awareness, and visibility of the Welsh language by specifically targeting refugees/asylum seekers and wider BAME community by hosting a family friend day of events. With events such as: Welsh taster sessions, Welsh language performances, community entertainers, talks and workshops by high profile Welsh speaking BAME community members to showcase the use of the language from a multicultural perspective.

Grant will be used for: Sound and lighting technician, ushers, studios, resources for families, officer time, artists/speakers, food.

Eglwys Mynydd Seion

Project aims to increase the Welsh speaking community's digital competence to create their own broadcast quality podcasts/radio programs in Welsh, through the church community. They will source training and purchase equipment to create Welsh medium digital material and broadcasts.

Grant will be used for: Equipment & software (audio mixer, mic, speakers, headphones, iMac, studio table/chairs), training, travel costs.

Hungarian Cultural Community in Newport

The project objective is to celebrate and preserve the Hungarian and Welsh language in Newport and build links between the communities, teaching the community's roots and traditions so that it can be passed onto future generations and to bridge the Hungarian and Welsh communities.

Grant will be used for: Rent, board-games/toys/shipping, food, cleaning products, travel costs, Welsh-English interpreter.

Gaer Community Family Learning Organization

To run interactive and inclusive workshops for the Gaer Families and Community to learn about Welsh culture whilst learning incidental and conversational Welsh and create a social environment for people to naturally develop Welsh language skills.

They will also have a 'Taste of Wales' project for local families linked to Gaer Primary School to learn and practice the basics of the language in a relaxed environment. Offering Welsh through activities allows the Gaer's diverse cultures to get involved and learn about the culture and language.

Grant will be used for: Resources, transport, accompanist, studio recording, venue hire, cooking ingredients, bilingual documentary, consumables.

Gŵyl Newydd

Funds to host an arts competition open to all Newport citizens under the Gŵyl Newydd and #EinCasnewydd brand to celebrate the Welsh language. They aim to work with other stakeholders and the Council to raise awareness of the city's contemporary Welsh culture, inspire people to consider their identity and relationship with the Welsh language, develop creativity in the context of the language, and increase the visibility of the Welsh language in Newport.

Grant will be used for: Consulting partners, designing a web page, appoint judges, liaise with stakeholders, collect competition entries, arrange winners' expedition, showcasing Gŵyl Newydd winner's work.

Menter Iaith Casnewydd

To create and run Welsh language awareness sessions, by hosting community awareness sessions online and face-to-face specifically targeting the Pillgwenlly area of Newport. The project will see a series of short drop-in sessions during the week and at the weekend ensuring that people with children are welcome. We provide activities for the children.

The aim of the project is to raise the interest in Welsh medium education in the region and promote the benefits of using Welsh to parents of children in English-medium schools. Menter Iaith Casnewydd also intend to host people from all backgrounds and parts of society who have not had the opportunity to learn Welsh due to historical trends.

Grant will be used for: Consult with partners, develop awareness materials, provide knowledge questionnaires, install/promote awareness resource on website, organize face-to-face awareness sessions, rent, sessions, play materials, data analysis.

Newport Live

Each Newport Live employee will be provided with Welsh language flashcards to learn useful words/phrases to be used in the working environment and accompanied by online training videos.

The project will also trial 2 musical projects. The first being a Welsh language music night at the Riverfront with local artists and schools performing, with a mix of Welsh and non-Welsh speaking audience. The second would be a Welsh medium choir on St Dwynwen's Day, consisting of 6 weekly choir practice sessions, thus providing an opportunity for local people to develop their knowledge of Welsh culture.

Grant will be used for: Welsh language flashcards, choir project, music night, young people's holiday workshops.

Meithrin Brynglas

The project aims to improve the Welsh language resources available for use at this local Cylch Meithrin. By doing this, the organization hopes to attract more families to attend Cylchoedd Meithrin. Meithrin Brynglas hopes the grant will provide families with motivation to try Welsh language nursery provisions. This will be done by giving families vouchers for 3 sessions as part of a goodie bag, which also includes familiar Welsh language resources to use at home.

Grant will be used for: Various Welsh language toys/resources/games, session costs, goodie bags.

Meithrin Y Delyn

The project aims to improve the Welsh language resources available for use at this local Cylch Meithrin. By doing this, the organization hopes to attract more families to attend Cylchoedd Meithrin. Meithrin Y Delyn hopes the grant will provide families with motivation to try Welsh language nursery provisions. This will be done by giving families vouchers for 3 sessions as part of a goodie bag, which also includes familiar Welsh language resources to use at home.

Grant will be used for: Various Welsh language toys/resources/games, session costs, goodie bags.

Mudiad Meithrin

To improve the Welsh language resources available for use at this local Cylch Meithrin. By doing this, the organization hopes to attract more families to attend Cylchoedd Meithrin. Meithrin Meithrin hopes the grant will provide families with motivation to try Welsh language nursery provisions. This will be done by giving families vouchers for 3 sessions as part of a goodie bag, which also includes familiar Welsh language resources to use at home.

Grant will be used for: Various Welsh language toys/resources/games, session costs, goodie bags.

Scrutiny Report

Overview and Scrutiny Management Committee

Part 1

Date: 24 June 2022

Subject Scrutiny Adviser Report

Author Scrutiny Adviser

The following people have been invited to attend for this item:

Invitee:	Role
Samantha Schanzer (Scrutiny Adviser)	Present the Committee with the Scrutiny Adviser Report for discussion and update the Committee on any changes.

Section A – Committee Guidance and Recommendations

Recommendations to the Committee

The Committee is asked to:

1. Action Plan

Consider the Actions from previous meetings (**Appendix 1**):

- *Note the responses for the actions;*
- *Determine if any further information / action is required;*
- *Agree to receive an update on outstanding issues at the next meeting.*

2 Context

Background

- 2.1 Attached at **Appendix 1** is the Action Sheet from the Committee meetings. The updated completed actions are included in the table.
- 2.2 Any actions that do not have a response will be included on the Action Sheet at the next meeting to ensure that the Committee can keep track of outstanding actions.

3 Information Submitted to the Committee

3.1 The following information is attached:

Appendix 1: Action Sheet from Previous Meetings;

4. Suggested Areas of Focus

Role of the Committee

The role of the Committee in considering the report is to:

- **Action Sheet from Previous Meetings - Appendix 1**
 - Consider the responses to the actions from the meeting;
 - Are you satisfied that you have received the necessary information?
 - Are there any further issues arising from the responses that you would like to raise?
 - For the actions that do not have responses – these actions will be rolled over to the next meeting and reported back to the Committee.

Section B – Supporting Information

5 Supporting Information

- 5.1 The Corporate Assessment, and the subsequent [follow up assessment](#) provide background information on the importance of good work programming. Specific reference is made to the need to align the Cabinet and Scrutiny work programmes to ensure the value of the Scrutiny Function is maximised.
- 5.2 The latest Cabinet work programme was approved by the Cabinet on a monthly basis for the next 12 months and includes the list of reports scheduled for consideration. Effective forward planning by both Cabinet and Scrutiny needs to be coordinated and integrated in relation to certain reports to ensure proper consultation takes place before a decision is taken. A link to the Cabinet work programme is provided [here](#) to the Committee as part of this report, to enable the Committee to ensure that the work programmes continue to reflect key decisions being made by the Cabinet.

6. Links to Council Policies and Priorities

- 6.1 Having proper work programming procedures in place ensures that the work of Overview and Scrutiny makes a positive impact upon the Council's delivery of services, contributes to the delivery of corporate objectives, and ensures that work can be undertaken in a timely and well-planned manner.
- 6.2 This report relates to the Committee's Work Programme, Actions from Committee's and Information Reports that support the achievement of the Scrutiny Committee, in accordance with the Law and Regulation Service Plan, Objectives, Actions and Measures and the Wellbeing objectives:

Well-being Objectives	Promote economic growth and regeneration whilst protecting the environment	Improve skills, educational outcomes & employment opportunities	Enable people to be healthy, independent & resilient	Build cohesive & sustainable communities
Corporate Plan Commitments	Thriving City	Aspirational People		Resilient Communities
Supporting Function	Modernised Council			

7 Wellbeing of Future Generation (Wales) Act

7.1 The Wellbeing of Future Generations Act 2015 which came into force in April 2016 sets the context for the move towards long term planning of services.

7.2 General questions

- How is this area / policy affected by the new legislation?
- How will this decision / policy / proposal impact upon future generations? What is the long term impact?
- What evidence is provided to demonstrate WFGA has been / is being considered?
- Evidence from Community Profiles / other data?
- Evidence of links to Wellbeing Assessment / Objectives / Plan?

7.3 Wellbeing Goals

- How are the Wellbeing goals reflected in the policy / proposal / action?
 - *A prosperous Wales*
 - *A resilient Wales*
 - *A healthier Wales*
 - *A more equal Wales*
 - *A Wales of cohesive communities*
 - *A Wales of vibrant culture and thriving Welsh language*
 - *A globally responsible Wales*

7.4 Sustainable Development Principles

- Does the report / proposal demonstrate how as an authority we are working in accordance with the sustainable development principles from the act when planning services?
 - **Long Term**
The importance of balancing short-term needs with the need to safeguard the ability to also meet long-term needs
 - **Prevention**
How acting to prevent problems occurring or getting worse may help public bodies meet their objectives
 - **Integration**
Considering how the public body's well-being objectives may impact upon each of the well-being goals, on their other objectives, or on the objectives of other public bodies
 - **Collaboration**
Acting in collaboration with any other person (or different parts of the body itself) that could help the body to meet its well-being objectives
 - **Involvement**
The importance of involving people with an interest in achieving the well-being goals, and ensuring that those people reflect the diversity of the area which the body serves.

8 Background Papers

- [The Essentials - Wellbeing of Future Generation Act \(Wales\)](#)
- [Corporate Plan 2017 - 2022](#)
- The Corporate Assessment and [follow up assessment](#).

Report Completed: 24 June 2022
