SPR&H 01/22

Revision of Hackney Carriage Table of Fares

Options Considered/Reasons for Decision

The Local Government (Miscellaneous Provisions) Act 1976 provided that in respect of charges for Hackney Carriages, "the Council may fix the rates or fares within the district...."

The Council last determined the 'Table of Fares' in December 2015, and a submission was received from members of the Hackney Carriage trade for the council to increase and amend the existing tariff. The report set out this proposal and included the Licensing Manager's recommended increased rates. The request sought approval to seek views via formal consultation on the matters, with the potential of implementing the 'Table of Fares' should the council receive no adverse comments on the increase.

Decision

The Cabinet Member determined the proposed increase in Hackney Carriage fees and put such fees out for formal consultation in accordance with the Local Government (Miscellaneous Provisions) Act 1976.

Consultation

Head of Law and Regulation, Head of Finance and Head of Policy, People and Transformation Change

All members were consulted and provided with an opportunity to comment. Any comments received and response thereafter are set out in the report.

Implemented By: Head of Environment and Public Protection
