1 Question to the Leader: 2022/14 Celebration of Wales in the World Cup

Councillor M. Evans asked:

With less than 100 days before Wales play their first game in the World Cup for 64 years, can the Leader of the Council tell me what the Council intends to do to celebrate this?

The Leader responded:

We are already working with partners and exploring opportunities to ensure that we show our support for our Welsh football team. Details have not been finalised and I am therefore unable to share information at this time but I look forward to updating you soon.
