New Normal Update

Options Considered/Reasons for Decision

During the pandemic Newport City Council adapted and developed the way in which it operated in order to maintain services and protect the safety of residents and members and staff. Following the initial changes in response to the emergency arrangements, Cabinet agreed changes to the Council's operating model to create a 'New Normal' in line with our Strategic Recovery Aims.

The report outlined the progress made in the last year and considered opportunities to realise benefits associated with how we utilised our assets, how we supported the climate-change agenda and how we supported and enhanced the well-being of our staff through the new model.

Decision

The Cabinet Members noted the progress, implementing the changes and steps required to realise further benefits.
