

# Decision Schedule

## Cabinet Member for Infrastructure and Assets

---

### TO ALL MEMBERS OF NEWPORT CITY COUNCIL

#### Decision Schedule published on 31 January 2023

The Cabinet Member took the following decisions on 31 January 2023. They will become effective at Noon on 8 February 2022 with the exception of any particular decision, which is the subject of a valid "call-in".

The deadline for submission of a 'Call-in' request form is 4.00 pm on 7 February 2023.

Information relating to the 'Call-in' process can be found via [Democratic Services](#).

Reports relating to staffing issues/Confidential reports are not circulated to all members of the Council as part of the consultation/call-in processes.

---

#### **I&A 01/23**

#### **Disposal of Land at Mission Court, Lanyon House, Newport**

#### **Options Considered/Reasons for Decision**

The current tenant of Lanyon House approached Newport Norse to purchase via a premium the long leasehold interest of land adjacent to their building for a car park. The land formed six to eight spaces and alleviated some of the wider parking issues in the area with the lease running coterminous to that of Lanyon House.

Arrangements for the premises to be disposed of were outlined within the report.

#### **Decision**

That the premises be declared surplus and let as a long leasehold disposal, on terms recommended by Newport Norse and agreed by the Head of Law and Standards.

#### **Consultation**

Head of Law and Standards, Head of People, Policy and Transformation and Head of Finance.

All members were consulted and provided with an opportunity to comment. Any comments received and response thereafter are set out in the report.

**Implemented By: Head of People, Policy and Transformation**  
**Implementation Timetable: Immediate**

---

I&A 02/23

## **Infrastructure Service Plan 2022/24**

### **Options Considered/Reasons for Decision**

In November 2022, Newport City Council agreed the delivery of the Council's Corporate Plan 2022-27 to deliver an *Ambitious, Fairer, Greener Newport for Everyone*. To support the delivery of the Corporate Plan, each service area developed their service plan with their objectives and key priorities.

The Infrastructure Service Plan 2022-24 identified four objectives which would support the delivery of the Corporate Plan:

**Objective 1** - Transforming Newport's highways and transport system to improve air quality, safety and promote active travel.

**Objective 2** - Reducing the Council's carbon emissions by moving towards zero and Ultra Low Emissions Vehicles (ULEV).

**Objective 3** - Build climate resilience and alleviate flooding across the city using a range of measures including natural flood defences.

**Objective 4** - Ensure Newport City Council was meeting its requirements under the Civil Contingencies Act.

Additionally, the service plan included the service area's projects and workforce development which would see the continuous improvement of services. To monitor the delivery of services, the Plan also included key performance measures and risks which could prevent the service from achieving its objectives and/or impact delivery.

The Plans would be subject to six monthly reviews by the Council's scrutiny committees and would support the Council's annual Well-being and Self-Assessment Report.

### **Decision**

The Cabinet Member approved the Infrastructure Service Plan to support the delivery of the Corporate Plan.

### **Consultation**

Head of Law and Standards, Head of People, Policy and Transformation and Head of Finance.

All members were consulted and provided with an opportunity to comment. Any comments received and response thereafter are set out in the report.

**Implemented By: Head of City Services**  
**Implementation Timetable: Immediate**
