#### Prevention and Inclusion Service Plan 2022-24

##### Options Considered/Reasons for Decision

In November 2022, Newport City Council agreed the delivery of the Council's Corporate Plan 2022-27 to deliver an *Ambitious, Fairer, Greener Newport for Everyone*. To support the delivery of the Corporate Plan, each service area developed their service plan of their objectives and key priorities.

The Prevention and Inclusion Service Plan 2022-24 has identified 4 objectives which would support the delivery of the Corporate Plan:

1. Deliver effective early intervention and preventative services for children, young people and families to remain in their own communities.
2. Deliver an appropriate range of inclusive early intervention and preventative services to meet the needs of children, young people and families.
3. Support families to lead emotionally healthy and happy lives in their communities
4. Improve outcomes for children, young people and families building self-worth. Working with strengths based and trauma informed approaches

Additionally, the service plan included the service area's projects and workforce development plan which would bring continuous improvement of services. To monitor the delivery of services, the Plan also included key performance measures and risks which could prevent the service from achieving its objectives and/or impact delivery.

The Plans would be subject to six monthly reviews by the Council's scrutiny committees and supported the Council's annual Well-being and Self-Assessment Report.

#### Decision
