1 **Question to the Cabinet Member for Infrastructure and Assets : 2024/11 -Bus and Cycle Lanes**

Councillor Fouweather asked:

Can the cabinet member provide the following information:

- 1 How much money has been paid to Sustrans since 2020 to provide bus lanes and cycle lanes?
- 2 How many miles of cycle lanes have been made available/ created since 2020 and how do the council monitor their use to ensure that value for money has been provided?

Councillor Lacey responded:

1. Nil.
2. Since 2020 the council have delivered 5.3 miles of new and 3.9 miles of upgraded cycle lanes. The use of cycle lanes is subject to a monitoring programme that includes 14 fixed counting devices, which identifies usage trends.
