

Key Achievements & Successes
Six week 'NP20' project completed in August with excellent voluntary participation. This has coincided with a targeted approach towards known offenders using CPNs and CBOs and a reduction in ASB in the City Centre.
Planning underway for Operation Bang activities for Halloween/Bonfire Night
Operation Ash deliberate fire setting project ran in Newport East aimed at education, clean-up and enforcement. School arson vulnerability assessments in all Newport schools undertaken.
Off road bike operation with focus on mopeds/bikes in Newport West has resulted in a large number of seizures
Five tickets issued for breach of the PSPO, three for drinking offences and two for aggressive /intimidating Begging. Numerous persons have also been dealt with informally for begging offences and drink seizures
City Centre parking enforcement – Streetscene blocking off key streets from 11am to 5pm, businesses and residents leafleted on restrictions, also press release and social media warnings. Over 250 penalties issues during the quarter
Five night time joint licensing operations have taken place with NCC, test purchasing has taken place at two off license premises, one resulting in a sale and follow-up action. Off licenses are regularly checked regarding single can sales/ super strength
Continued support for multi-agency approaches to tackling community tensions. These include the Pill Action Group, unauthorised encampments and the impact of post-terror arrests

Risks	L/M/H	Mitigating Actions
Post court youth reoffending rates have increased following national trend	M	YOS completed review in Oct 2017, of both pre and post court cohorts to identify any patterns, trends and gaps
Reduction in funding for diversionary activities, Communities First are now unable to deliver diversionary provision	H	Projects delivering diversionary activities are now being funded through PPEYPRO which is an annual grant and risks continuity of projects. Some projects have now ceased.
