

Appendix 5: Strong Resilient Communities

The two leads met on 3rd September 2018 and the Strong Resilient Communities Intervention Board met for the first time on 19th September.

The Intervention Board agreed to concentrate initially on:

- a. building on the work taking in place in Ringland, with a focus on community hubs, community engagement and empowerment, community assets and support for community groups
- b. develop and promote an overarching volunteering programme

Work on these activities will unlock the other short-term steps identified in the Wellbeing Plan for this intervention and will extend the place based approach first developed in Pillgwenlly.

The intention is to adopt a place based approach building on and further integrating the ongoing work on the Ringland Neighbourhood Hub, Newport City Homes' regeneration of Ringland district centre, new health-care facilities and the work on Serious and Organised Crime/community resilience. The Intervention Board will ensure stronger collaboration and integration between service providers at the local level so that services are 'delivered around families'.

The work will be evidence-based, asset-based and will use community wellbeing profiles, spatial data and customer insight.

A stakeholder workshop will be held in January 2019 to involve local agencies and community organisations in the development of the work programme.
