Subject Quarter 4 Corporate Risk Register Update

Purpose To present the Council's Corporate Risk Register for the end of quarter 4 (31st March 2020).

Author Head of People and Business Change

Ward All

Summary The Council's Corporate Risk Register monitors those risks that may prevent the Council from achieving its Corporate Plan or delivering services to its communities and service users in Newport.

In quarter 4 the Corporate Risk Register has 13 risks, which are considered to have a significant impact on the achievement of the Council's objectives and warrant monitoring by the Council's Senior Leadership Team and Corporate Management Team. At the end of quarter 4, we have identified 8 high level risks (risk scores 15 to 25); 3 medium risks (risk scores 10 to 14) and 2 low risk (0-9) as outlined in the report. The Corporate Risk Register also saw the inclusion of the Covid 19 related risk.

Proposal Cabinet is asked to consider the contents of the quarter 4 update of the Corporate Risk Register.

Background

The Wellbeing of Future Generations (Wales) Act 2015, requires Newport City Council to set Wellbeing Objectives in its Corporate Plan 2017-22. In the delivery of the Corporate Plan and Council services there will be risks that may prevent, disrupt or impact on the Council's objectives. The Council's Risk Management Policy and Corporate Risk Register enables the Council to identify, manage and monitor those risks to ensure effective mitigation action is taken to minimise or prevent the risk from impacting on services, communities and citizens. In July 2020 the new Risk Management Policy for 2020-22 was approved by the leader of the Council. This policy is attached as part of the background papers of this report for reference.

During quarter 4 (January to March 2020) Wales and Newport faced the Covid 19 pandemic which was emerging across the communities in Newport. The Council's Business Continuity processes came into action to manage the impending crisis. Immediate risks and issues on the delivery of Council services and wider communities were managed through the Council's Covid Gold Command business continuity arrangements. The Corporate Risk Register for Quarter 4 reflects the strategic risks to the 31st March 2020. A further update on the strategic risks impacting the Council during the Covid 19 outbreak will be reported in the 2020/21 Quarter 1 risk update.

Summary of risks in this report

At the end of quarter 4 (31st March 2020 there were 13 corporate risks which consisted of 8 High risks (15 to 25); 3 Medium Risks (5 to 14) and 2 Low Risks (as outlined in Appendix 1. The quarter 3 report was presented to Cabinet in March 2020. In comparison to quarter 3 there was 1 new risk. The risk mitigation actions identified for each risk is imperative for outlining how these risks are managed and enable the Council achieve its objectives. We would like to highlight the following risks for Cabinet's attention:

- **(NEW) Covid 19 Pandemic Outbreak** – In quarter 4 the Council added the Covid 19 risk onto the risk register as a result of Covid 19 spreading across communities in Newport and impacting on the delivery of Council services. The Council implemented its Gold Command Business Continuity arrangements to manage operational and community risks and issues for Newport with direct communications to regional and national groups.
- **Stability of Social Care Providers (Increase from 20 to 25)** – The emergence of the Covid 19 crisis was having a direct (inherent) impact on Social Care Providers (residential and domiciliary) in quarter 4. The capacity and ability for providers to be able to provide the necessary care and support for service users was being affected by Covid outbreaks in the community and in care settings across Newport.
- **Balancing the Council's Medium Term Budget Plan (Reduction from 20 to 15)** – At the end of the financial year the Council had reduced the gap between its forecasted projections for the next 3 years.
- **In Year Financial Management (Reduction from 12 to 3)** – At the end of the financial year the Council's financial outturn reported an overall underspend which resulted in the risk reducing from 12 to 3. However, it should be noted that due to the impact of Covid 19 on the Council's in year financial risk this is likely to increase. This will be reported in the Quarter 1 update.
- **Schools Finance Cost Pressures (Reduction from 20 to 16)** – At the end of the financial year the Council's Cabinet agreed a cash injection into the school's budgets reducing the impact of deficits. However, there remains individual schools facing a deficit budget position and further action is required to reduce the impact of overspending in 2020/21.
- **Demand for Additional Learning Needs (ALN) and Special Educational Needs (SEN) support (Reduction from 20 to 16)** - The budget for 2020/21 include the new Additional Learning Needs funding formula agreed with head teachers which reduces the immediate risk. During the lock down there has been an increase of requests for Formal Assessment for pupils who may require specialist placements or additional support.

Options Available and considered

1. To consider the contents of the Corporate Risk Register and to continue monitoring progress of actions taken to address the risks identified in the report.
2. To request further information or reject the contents of the risk register

Preferred Option and Why

To consider the contents of the Corporate Risk Register and monitor the progress of actions taken to address the risks identified in the report. This will give the Cabinet sufficient assurance and oversight of the main overarching risks that the council faces in delivering the objectives of the Corporate Plan.

Comments of Chief Financial Officer

There are no direct financial implications arising from this report. The corporate risk register forms an important part of the governance and budget setting arrangements for the council and the risk register is used to guide the internal audit plan.

Comments of Monitoring Officer

There are no specific legal issues arising from the report. As part of the Council's risk management strategy, the corporate risk register identifies those high-level risks that could impact upon the Council's ability to deliver its corporate plan objectives and essential public services. Although Audit Committee are responsible for reviewing and assessing the Council's risk management, internal control and corporate governance arrangements, the identification of corporate risks within the risk register and monitoring the effectiveness of the mitigation measures are matters for Cabinet.

Comments of Head of People and Business Change

Risk Management in the Council is a key area to implementing Wellbeing of Future Generations Act (Wales) 2015. Effective monitoring and reporting against the Council's Corporate Risk Register is essential in minimising and preventing the likelihood and impact of risks against our objectives. The recent changes made to our risk management processes and system will ensure officers at all levels of the organisation have greater control and oversight of their risks taking the necessary action to mitigate their impact and escalate where necessary to senior management.

Comments of Cabinet Member

The Chair of Cabinet is consulted on the corporate risk register and has agreed that this report goes forward to Cabinet for consideration, including the Audit Committee comments.

Wellbeing of Future Generations (Wales) Act 2015

Under the Wellbeing of Future Generations Act (Wales) 2015 and its 5 ways of working principles this report supports:

Long Term – Having effective risk management arrangements will ensure that the opportunities and risks that will emerge consider the long term impact on service users and communities.

Preventative – Identifying opportunities and risks will ensure the Council is able to implement necessary mitigations to prevent or minimise their impact on Council services and service users.

Collaborative – The management of risk is undertaken throughout the Council and officers collaborate together within service areas, Corporate Management Team and the Council's Cabinet to ensure decisions are made in a timely manner and are evidence based.

Involvement – The Council's Risk Management process involves officers across the Council's service areas and Cabinet Members.

Integration – Risk Management is being integrated throughout the Council and supports the integrated Planning, Performance and Risk Management Framework. The Framework ensures that planning activities consider the opportunities and risks to their implementation and overall supports the delivery of the Council's Corporate Plan and legislative duties.

Crime and Disorder Act 1998

Not applicable.

Consultation

As above, the Risk Register is also considered by Audit Committee.

Glossary

This document provides an explanation of terminology used in this report and supporting documents.

Risk Appetite – the amount of risk that Newport City Council is willing to seek or accept in the pursuit of the Council's long term objectives.

Inherent Risk Score – The level of risk in the absence of any existing controls and management action taken to alter the risk's impact or probability of occurring.

Residual Risk Score – The level of risk where risk responses i.e. existing controls or risk mitigation actions have been taken to manage the risk's impact and probability.

Target Risk Score – The level of risk (risk score) that Newport City Council is willing to accept / tolerate in managing the risk. This is set in line with the Council's overall risk appetite.

Risk Mitigation Action – Actions identified by the Risk Owner to respond to the risk and reduce the impact and probability of the risk of occurring.

Risk Mitigation Action (Red Progress Score) – Significant issue(s) have been identified with the action which could impact on the ability of the action meeting its completion date. Immediate action / response is required resolve its status.

Risk Mitigation Action (Amber Progress Score) – issue(s) have been identified that could have a negative impact on the action achieving its completion date. Appropriate line manager(s) should be informed and where necessary action taken.

Risk Mitigation Action (Green Progress Score) – The action is on course for delivering to the agreed completion date and within the agreed tolerances.

How the Council Assesses Risk

An assessment of the likelihood and impact of risk is important to measure, compare and monitor risks to ensure efficient use of resources and effective decision making. This assessment is carried out using the risk matrix as described below.

Risk Assessment Matrix

A Corporate Risk Register will contain the high level risks for the whole authority. In order to differentiate between these high level risks a 5x5 risk assessment matrix will be applied. The matrix is shown below and further detail is included in appendix 3.

Risks are scored using the scoring system for probability and impact and assigned a rating based on the tolerances set out in the matrix below

Score	Description	Impact Measures						
		Strategic / Policy	Operational / Business Continuity	Financial	Governance / Legal / Regulatory	Health & Safety	Reputational	Project Delivery / Savings / Benefits
5	Severe	Failure of a key strategic objective	Serious organisational / service failure that has direct impact on stakeholders including vulnerable groups.
