2 Context

Background

- 2.1 The Corporate Plan 2022-27 has four Well-being Objectives to support its mission an '*Ambitious, Fairer, Greener Newport for Everyone*'. To support the delivery of these objectives and strategic

priorities, each service area has developed their service plan. Each service plan outlines its own priorities and how the service area will contribute towards the Corporate Plan 22-27.

2.2 The Well-being of Future Generations (Wales) Act 2015 requires all public sector bodies to set Well-being Objectives in their Corporate Plans. To achieve this goal the Council's Corporate Plan 22-27 has four Well-being objectives that will prioritise our focus over the next five years and beyond:

- Newport is a thriving and growing city that offers excellent education and aspires to provide opportunities for all.
- A city that seeks to protect and enhance our environment whilst reducing our carbon footprint and preparing for a sustainable and digital future.
- Newport is a supportive city where communities and care are at the heart of what we do.
- Newport City Council is an inclusive organisation that places social value, fairness and sustainability at its core.

2.3 To deliver these objectives each service area will produce a service plan that will outline how the service area will support the delivery of the Corporate Plan 22-27. Formal monitoring of the Service Plans will commence from 1st January 2023 (Quarter 3) and cover the period to 31st March 2024. These plans will be monitored every quarter and at the end of 2022/23, service areas will complete an End of Year review on the progress against this plan which will be presented to the Performance Scrutiny Committees. This report presents Members with the Year-End Reviews for each Service Plan and Appendices for:

- **Appendix 1** – Regeneration and Economic Development;
- **Appendix 2** – Environment and Public Protection;
- **Appendix 3** – Infrastructure;
- **Appendix 4** – Housing and Communities Service

Each Service Plan will include the following:

Projects	<p>These are projects which will contribute towards the delivery of the Corporate Plan or improvement to the delivery of services.</p> <p><i>Note: Scrutiny Members need to note that there will be projects which will have TBC against the Transformation Plan. This is due to the Executive Board reviewing and confirming those projects which will be included in the Council's Transformation Plan and/or will be delivered through the service area.</i></p>
-----------------	---

Workforce Development	This area relates to the work which service areas in collaboration with the Council's Human Resources team are undertaking to improve the development of staff and any recruitment activity.
Objectives and Action Plan	These will focus on delivering change, improving the delivery of services and supporting the Corporate Plan, strategies and Regional/National objectives.
Performance Measures	These will support Service Areas to deliver the objectives in the Corporate Plan and meet statutory duties. Performance measures will either have targets set against them or be compared to the previous year's performance where targets cannot be set.
Risk Register	<p>This allow service areas to identify new and existing risks to the delivery of services, and assess whether the risk should be escalated to the Corporate Risk Register and determine risk mitigation actions.</p> <p><i>Note¹: Scrutiny Members will note Risks with 'TBC'. This is due to Risks being subject to risk assessments and final approval either by the Executive Board and/or Director.</i></p> <p><i>Note²: The Council's Governance and Audit Committee is responsible for ensuring the Council has effective and efficient risk management arrangements in place.</i></p>
