

Report

Cabinet

Part 1

Date: 10 January 2024

Subject Quarter 2 2023/24 Corporate Risk Register Update

Purpose To present the Council's Corporate Risk Register for the end of Quarter 2 (1st July 2023 to 30th September 2023).

Author Head of People, Policy and Transformation

Ward All

Summary The Council's Corporate Risk Register monitors those risks that may prevent the Council from achieving its strategic priorities or delivering services to its communities and service users in Newport.

At the end of Quarter 2, there were 15 risks recorded in the Corporate Risk Register that are considered to have a significant impact on the achievement of the Council's objectives and legal obligations.

Overall, there are 9 Severe risks (risk scores 15 to 25); 6 Major risks (risk scores 7 to 14); that are outlined in the report. In comparison to the Quarter 1 corporate risk register, one risk score increased (Newport Council's Property Estate) and one risk score decreased (Stability of Social Service providers). All remaining risks did not change score.

As set out in the Council's Risk Management Policy, Cabinet reviews the Corporate Risk Register on a quarterly basis ensuring procedures are in place to monitor the management of significant risks.

Proposal Cabinet is asked to consider the contents of the quarter two update of the Corporate Risk Register.

Action by Executive Board and Heads of Service

Timetable Immediate

This report was prepared after consultation with:

- Executive Board
- Corporate Management Team

Signed

Background

The Well-being of Future Generations (Wales) Act 2015 requires Newport City Council to set Well-being Objectives in its Corporate Plan. As a public body, the Council is also responsible for delivering services (statutory and non-statutory) to residents, businesses, and visitors across Newport. We will inherently encounter opportunities and risks that may prevent, disrupt, impact or enhance the delivery of the Council services and achieve the objectives in the Corporate Plan. How the Council responds and manages these opportunities and risks is important to ensure resources are being used efficiently and effectively to maximise value for money and to minimise and/or prevent the risk impacting services, communities, and citizens in Newport.

The Council's Risk Management Policy provides an overview of the Council's approach and its appetite for managing opportunities and risk. To provide assurance on the Council's Risk Management approach, the Corporate Risk Register provides assurance on the most significant risks that the Council was managing in the last quarter.

Officers across the Council regularly manage risk in the course of their duties whether this is health and safety risks, civil contingencies, safeguarding risks to children, young people, adults and carers or risks to assets, buildings, and Council employees. The relevant service area(s) and professional disciplines will be assessing and managing these risks as required and reporting these through their own reporting mechanisms.

In accordance with the Council's Risk Management Policy, any new, escalated / de-escalated, and closed risks in the Corporate Risk Register are reviewed by the senior management team.

Newport City Council – Quarter 2 Service Area Risk Summary

Appendix 2 of the report provides an overview of the Council's overall risks reported at the end of Quarter 2. This includes corporate and service area risks across the Council's service areas. In summary, the Council had 43 risks of which:

Total Risks at Q2	Risk Scores Increased since Q1	Risk Scores Decreased since Q1	No Change since Q1	New Risks Since Q1	Closed Risks Since Q1	Escalated Risks ¹	De-escalated Risks ²
43	1	3	39	0	0	0	0

Newport City Council Quarter 2 Corporate Risk Register Summary

At the end of Quarter 2, the Council's Corporate Risk Register included 15 of the 43 risks that are considered to pose the most risk to the delivery of Council services and achievement of its strategic priorities. The 15 Corporate Risks consisted of:

- 9 Severe risks (15 to 25)
- 6 Major Risks (7 to 14)

In comparison to the Quarter 1 corporate risk register, one risk (Newport Council's Property Estate) increased risk score from 16 to 20, and one risk score, Stability of Social Services providers, decreased risk score from 20 to 16. All other risk scores remained the same as quarter 1.

Risk	Risk Summary	Q1 Risk Score	Q2 Risk Score	Summary
Newport Council's Property Estate Transformation & Corporate Directorate	NCC has a significant property estate covering over 170 operational buildings (circa) such as the Civic Centre, Telford Depot, and its school estate etc. The Council has to ensure the estate is maintained to	16	20	The estimated maintenance backlog has increased through work with our property partners Newport Norse. These costs will continue to increase until we reduce our assets or the council invests within the estate. Due to the historic under investment there is an increased

Risk	Risk Summary	Q1 Risk Score	Q2 Risk Score	Summary
	required standards to enable access, safety, security and in the long term sustainable for staff and residents to use.			likelihood of failures within the estate which increase the pressure on the revenue budgets for reactive repair and maintenance and reduce business continuity options in the event of failure. The programme of work to review the estate is underway and reported through service plans.
Stability of Social Services Providers	The Council requires support from external providers to deliver care packages for children and adults (residential / Non Residential). The current marketplace for external providers is volatile due to the increasing costs to provide care, maintain homes, staffing meeting legislative and regulatory requirements.	20	16	This has slightly improved with the recruitment of managers and the redesign of the structure offering support to teams across adult services.

Corporate Plan 2022-27

Service Plans 2022-24

Options Available and considered.

1. To consider the contents of the Corporate Risk Register and to continue monitoring progress of actions taken to address the risks identified in the report.
2. To request further information or reject the contents of the risk register

Preferred Option and Why

To consider the contents of the Corporate Risk Register and monitor the progress of actions taken to address the risks identified in the report. This will give the Cabinet sufficient assurance and oversight of the main overarching risks that the council faces in delivering the objectives of the Corporate Plan.

Comments of Chief Financial Officer

There are no direct financial implications arising from this report itself. The corporate risk register forms an important part of the governance and budget setting arrangements for the Council and the risk register is used to guide the internal audit plan.

There are a number of risks with either a direct or indirect financial impact. For example, the risk around balancing the medium-term financial position is currently rated as severe, due to the high inflationary environment and increasing demand for services. Whilst a balanced budget for 2023/24 was achieved, the challenge of achieving that over the medium term remains, with further difficult decisions being required to do that.

On an interim basis, the Internal Audit service is predominantly being provided/managed via an external consultancy service. An assessment of the volume of opinion work, and internal control reassurance has been undertaken and confirms the potential, on the worst case scenario, of a significant reduction in the completion of opinion related audits though the best case scenario, which is dependent on successful recruitment, could achieve a smaller, less impactful reduction. The current 'major risk' assessment will be updated as necessary after the recruitment process.

As well as risks specific to Finance, the report highlights an increasing level of risk in relation to the Council's property estate. The increased likelihood of asset failures is referenced and, should this risk crystallise, it will inevitably have a financial consequence. In a financial environment where capital resources, in particular, are significantly constrained, it is important that the risk around asset failures is managed robustly and all efforts are made to avoid the need for significant outlays on asset repair or replacement.

Comments of Monitoring Officer

There are no specific legal issues arising from the report. As part of the Council's Risk Management Strategy, the corporate risk register identifies those high-level risks that could impact upon the Council's ability to deliver its corporate plan objectives and essential public services. Governance and Audit Committee are responsible for reviewing and assessing the Council's risk management, internal control and corporate governance arrangements. However, the identification of corporate risks within the risk register and monitoring the effectiveness of the mitigation measures are matters for Cabinet. As the report notes above, there were changes to the risk scores of 2 identified risks, although both continue to have a risk score in excess of 15.

Comments of Head of People, Policy and Transformation

Effective monitoring and reporting against the Council's Corporate Risk Register is essential in minimising and preventing the likelihood and impact of risks against our objectives. The Council's risk management is a key area in the implementation of the Well-being of Future Generations Act (Wales) 2015.

The recent changes made to our risk management processes and system will ensure officers at all levels of the organisation have greater control and oversight of their risks taking the necessary action to mitigate their impact and escalate where necessary to senior management.

The Council's HR team continue to support with issues such as recruitment.

Comments of Cabinet Member

The Chair of Cabinet is consulted on the corporate risk register and has agreed that this report goes forward to Cabinet for consideration.

Local issues

None.

Governance and Audit Committee (GAC)

GAC received the quarter two risk report in November 2023.

Fairness and Equality Impact Assessment:

For this report, a full Fairness and Equality Impact Assessment has not been undertaken. This is because this report is not seeking any strategic decisions or policy changes, with its purpose being to update Cabinet on the current risk register.

Wellbeing of Future Generation (Wales) Act

Under the Well-being of Future Generations Act (Wales) 2015 and its 5 ways of working principles this report supports:

Long Term – Having effective risk management arrangements will ensure that the opportunities and risks that will emerge consider the long-term impact on service users and communities.

Preventative – Identifying opportunities and risks will ensure the Council is able to implement necessary mitigations to prevent or minimise their impact on Council services and service users.

Collaborative – The management of risk is undertaken throughout the Council and officers collaborate within service areas, Corporate Management Team and the Council's Cabinet to ensure decisions are made in a timely manner and are evidence based.

Involvement – The Council's Risk Management process involves officers across the Council's service areas and Cabinet Members.

Integration – Risk Management is being integrated throughout the Council and supports the integrated Planning, Performance and Risk Management Framework. The Framework ensures that planning activities consider the opportunities and risks to their implementation and overall supports the delivery of the Council's Corporate Plan and legislative duties.

Consultation

As above, the Risk Register is also considered by Audit Committee.

*1 – Escalated Risks – Risks that have been escalated from Service area risk registers to Corporate Risk Register

*2 – De-escalated Risks – Risks that have been de-escalated from Corporate Risk Register to service area risk register

Glossary

This document provides an explanation of terminology used in this report and supporting documents.

Risk Appetite – the amount of risk that Newport City Council is willing to seek or accept in the pursuit of the Council's long-term objectives.

Inherent Risk Score – The level of risk in the absence of any existing controls and management action taken to alter the risk's impact or probability of occurring.

Residual Risk Score – The level of risk where risk responses i.e. existing controls or risk mitigation actions have been taken to manage the risk's impact and probability.

Target Risk Score – The level of risk (risk score) that Newport City Council is willing to accept / tolerate in managing the risk. This is set in line with the Council's overall risk appetite.

Risk Mitigation Action – Actions identified by the Risk Owner to respond to the risk and reduce the impact and probability of the risk of occurring.

Risk Mitigation Action (Red Progress Score) – Significant issue(s) have been identified with the action which could impact on the ability of the action meeting its completion date. Immediate action / response is required resolve its status.

Risk Mitigation Action (Amber Progress Score) – issue(s) have been identified that could have a negative impact on the action achieving its completion date. Appropriate line manager(s) should be informed and where necessary action taken.

Risk Mitigation Action (Green Progress Score) – The action is on course for delivering to the agreed completion date and within the agreed tolerances.

How the Council Assesses Risk

An assessment of the likelihood and impact of risk is important to measure, compare and monitor risks to ensure efficient use of resources and effective decision making. This assessment is carried out using the risk matrix as described below.

Risk Assessment Matrix

A Corporate Risk Register will contain the high-level risks for the whole authority. In order to differentiate between these high level risks a 5x5 risk assessment matrix will be applied. The matrix is shown below, and further detail is included in appendix 3.

Risks are scored using the scoring system for probability and impact and assigned a rating based on the tolerances set out in the matrix below

Score	Description	Impact Measures						
		Strategic / Policy	Operational / Business Continuity	Financial	Governance / Legal / Regulatory	Health & Safety	Reputational	Project Delivery / Savings / Benefits
5	Severe	Failure of a key strategic objective	Serious organisational / service failure that has direct impact on stakeholders including vulnerable groups. Service disruption over 5+ days.	<u>Corporate / Project</u> Unplanned and/or additional expenditure disturbance. Capital > £1M Revenue >£1M	Legislative / Regulatory breach resulting in multiple litigation / legal action taken on the Council (linked to Financial / Reputational Impacts).	Multiple major irreversible injuries or deaths of staff, students or members of public. (Linked to Financial / Reputational Impacts)	Severe and persistent National media coverage. Adverse central government response, involving (threat of) removal of delegated powers. Officer(s) and / or Members forced to Resign.	Project status is over 12 months from anticipated implementation date. Project(s) do not deliver the major benefits / savings identified in business case. This is linked to Financial / Strategic / Reputational Impacts
4	Major	Severe constraint on achievement of a key strategic objective	Loss of an important service(s) for a short period that could impact on stakeholders. Service disruption between 3-5 days.	<u>Corporate / Project</u> Unplanned and/or additional expenditure disturbance. Capital > £0.5M - £1.0M Revenue >£0.5M-£1M	Serious legislative breach resulting in intervention, sanctions and legal action. (Linked to Financial / Reputational Impacts)	Major irreversible injury or death of staff, student or member of public. (Linked to Financial / Reputational Impacts)	Adverse publicity in professional / municipal press, affecting perception / standing in professional /local government community Adverse local and social media publicity of a significant and persistent nature.	Project status is 6 to 12 months over from anticipated implementation date. Project(s) do not deliver major benefits / savings identified in business case. This is linked to Financial / Strategic / Reputational Impacts

Score	Description	Impact Measures						
		Strategic / Policy	Operational / Business Continuity	Financial	Governance / Legal / Regulatory	Health & Safety	Reputational	Project Delivery / Savings / Benefits
3	Moderate	Noticeable constraint on achievement of a key strategic objective / Service Plan objective.	Loss and/or intermittent disruption of a service between 2-3 days.	<u>Corporate / Project</u> Unplanned and/or additional expenditure disturbance. Capital = £0.25M - £0.5M Revenue = £0.25M to £0.5M Revenue = £0.25M to £0.5M	Significant legislative breach resulting in investigation. (Linked to Financial / Reputational Impacts)	Major reversible injury to staff, student or member of public. Not life threatening. (Linked to Financial / Reputational Impacts)	Adverse local publicity / local public opinion including social media. Statutory prosecution of a non-serious nature.	Project status is 1 to 6 months over from anticipated implementation date. There is significant reduction on delivery of benefits / savings identified in business case. This is linked to Financial / Strategic / Reputational impacts.
2	Low	Constraint on achievement of Service Plan objective that does not impact on Corporate Strategy	Brief disruption of service that has a minor impact on the delivery of a service. Service disruption 1 day.	<u>Corporate / Project</u> Unplanned and/or additional expenditure disturbance. Capital = £0.1M - £0.25M Revenue = £0.1M – £0.25M	Moderate impact leading to warning and recommendations.	Some minor reversible injuries. (Linked to Financial / Reputational Impacts)	Contained within Directorate Complaint from individual / small group, of arguable merit	Project status is 1 to 4 weeks over from anticipated implementation date. There is minor reduction on delivery of benefits / savings identified in business case. This is linked to Financial / Strategic / Reputational impacts.

Score	Description	Impact Measures						
		Strategic / Policy	Operational / Business Continuity	Financial	Governance / Legal / Regulatory	Health & Safety	Reputational	Project Delivery / Savings / Benefits
1	Very Low	Constraint on achievement of Service / Team Plan objective	Minor disruption of a non-critical service.	<p><u>Corporate / Project</u></p> <p>Unplanned and/or additional expenditure disturbance.</p> <p>Capital < £100k Revenue <£100k</p>	No reprimand, sanction or legal action.	Some superficial injuries. (Linked to Financial / Reputational Impacts)	Isolated complaint(s) that are managed through the corporate complaints process and service area.	<p>Project status is 1 week over from anticipated implementation date.</p> <p>There is insignificant / no impact on delivery of benefits / savings identified in business case.</p> <p>This is linked to Financial / Strategic / Reputational impacts.</p>

Score	Probability	Criteria
5	Very likely 75% +	<p>Systematic Risks – Local evidence indicating very high probability of occurrence if no action / controls are in place. Risk is highly likely to occur daily, weekly, monthly, quarterly.</p> <p>Emerging Risks – National and Global evidence indicating very high probability of occurrence on local communities if no action / controls are taken. Risks are highly likely to occur within the next 5 years.</p>
4	Likely 51-75%	<p>Systematic Risks – Local evidence indicating high probability occur in most circumstances with near misses regularly encountered e.g. once or twice a year.</p> <p>Emerging Risks – National and Global evidence indicating high probability of occurrence on local communities if no action / controls are taken. Risks are likely to occur within the next 5-10 years.</p>
3	Possible 26-50%	<p>Systematic Risks – Local evidence indicating distinct possibility with circumstances regularly encountered and near misses experienced every 1-3 years.</p> <p>Emerging Risks – National and Global evidence indicating distinct probability of occurrence on local communities if no action / controls are taken. Risks are likely to occur within the next 10-15 years.</p>
2	Unlikely 6-25%	<p>Systematic Risks – Local evidence indicating low to infrequent near misses experienced every 3 + years.</p> <p>Emerging Risks – National evidence indicating low probability of occurrence on local communities if no action / controls are taken. Risks are likely to occur within the next 16-25 years.</p>
1	Very Unlikely	<p>Systematic Risks – Local evidence indicating risk has rarely / never happened or in exceptional circumstances.</p> <p>Emerging Risks – National evidence indicating very low probability of occurrence on local communities if no action / controls are taken. Risks are likely to occur within the next 16-25 years.</p>

Systematic Risks – Risks that are known or are becoming part of social, cultural, economic, and environmental systems that govern our lives.

Emerging Risks – Risks that are further away, less defined, and early stage of being known about.
