Comments of Chief Financial Officer

There are no financial implications directly arising from this report.

Comments of Monitoring Officer

The appointment of individuals to serve on outside bodies is a Local Choice function under the Local Authorities (Executive Arrangements) (Functions and Responsibilities) (Wales) Regulations 2007. The Council has determined that responsibility for this function shall rest with Full Council unless delegated by the Council.

Comments of Head of People, Policy and Transformation

There are no staffing implications directly arising from this report.

Local issues

There are no local issues as this report relates to the Council's processes.

Scrutiny Committees

Monthly update reports allow the Scrutiny and Cabinet work programmes to be better coordinated. The Scrutiny team and Members are currently developing new ways of working through the new Committees, and continually reviewing the work programmes to focus more on risk and ensure all scrutiny activity has a defined purpose and constructive outcome.

Equalities Impact Assessment and the Equalities Act 2010

This does not apply to this procedural report.

Children and Families (Wales) Measure

This procedural report does not impact on Children and Young People although certain reports contained in the programme may do and will need appropriate consultation and comment when they are presented to cabinet.

Wellbeing of Future Generations (Wales) Act 2015

This is a procedural report but reports contained within the programme will need to show how consideration has been given to the five things public bodies need to think about to show they have applied the sustainable development principle put into place by the Act.

Consultation

As set out above
