

Outcomes Monitoring

Performance Scrutiny Committee – Partnerships

24th April 2024

	Agenda Item	Recommendation	Responsibility	Response
1	South East Wales Adoption Service Update	The Committee request detailed updates in the next report regarding the progress on post-commencement regulations, outcomes of national and regional recruitment marketing campaigns, and the impact assessment of the Welsh Early Permanence scheme to ensure transparency and accountability in service delivery. The Committee also recommended ongoing monitoring and evaluation of the effectiveness of new initiatives to be included in next year's report to ensure positive outcomes for service users.	Becky Jones / Natalie Poyner	COMPLETE - The Committee's views are noted.
2	Fostering Services Update	The Committee were pleased to hear about the parent and child fostering scheme, highlighting its importance in keeping them together to prevent future problems. The Committee requested for more information and details about the parent and child fostering scheme for inclusion in the next report for better understanding and evaluation of its impact and effectiveness. The Committee also recommended that the Fostering Service enhances monitoring of children's fostering experiences, including quality of care and	Louise Quatermass / Natalie Poyner	COMPLETE - The Committee's views are noted.

		data-driven reports, in next year's report.
