Date: 3 July 2017

Subject **Progress update on the action plan to address the Wales Audit Office recommendations and proposals for improvement.**

Author Chief Executive

Summary

- Newport City Council was the first authority to go through the Corporate Assessment process and has made good progress since the findings of this first assessment were reported.
- This update provides Cabinet Members with oversight of the council's progress against Recommendations and Proposals for improvement made by the Wales Audit Office during the Corporate Assessment review cycle.
- At the October 2016 Cabinet meeting the Wales Audit Office presented the findings from their 'Review of progress in addressing the Corporate Assessment and Corporate Assessment Follow-up recommendations 2015/16' which examined the Council's progress in addressing recommendations made in the full Corporate Assessment of the Council in 2013 and the Review that took place in 2014/15.
- This reduced the number of recommendations from 7 to 4, this shows that the council has improved despite continuing financial and legislative pressures.
- The council compiled an action plan to address the WAO' recommendations and proposals for improvement which was also presented to Cabinet in October 2016.
- This report is a quarterly update of progress made against the actions outlined in the council's action plan and actions planned for the next quarter. This enables Cabinet Members to consider whether actions remain appropriate to meet the recommendations and proposals for improvement, and to evaluate whether actions have been completed in a timely manner.
- 11 actions remain under recommendation 2, however significant progress has been made against these actions as a result of the new scrutiny arrangements agreed at the Council AGM in May. The new arrangements were designed to address the issues raised by WAO, and it is therefore expected that these actions will be signed off once the new Committees are fully up and running.

- Proposal** Cabinet are requested to:
- Note the progress made towards meeting the recommendations and proposals for improvement and query any areas where progress has been delayed.
 - Receive further quarterly monitoring reports on the progress towards meeting recommendations and proposals for improvement.

Background

Corporate Assessment

The Wales Audit Office carried out a full Corporate Assessment of the Council in 2013.

The full 2013 Corporate Assessment examined the council's capability to deliver its priorities and improved outcomes for citizen and identified 7 recommendations and a number of Proposals for Improvement.

Corporate Assessment Review

During 2014/15 the Wales Audit Office reviewed the progress the council had made against the 2013 recommendations and proposals for improvement.

Review of progress in addressing the Corporate Assessment and Corporate Assessment Follow-up recommendations

During February 2016 the WAO completed fieldwork and a document review to assess the progress made against the recommendations made in the original 2013 Corporate Assessment as well as the 2014/15 review. As a result of the review the seven original recommendations were reduced to four.

The 4 recommendations are summarised below, the outstanding actions are expected to decrease significantly following the agreed changes to the council's scrutiny arrangements.

Recommendation 4	The Council must continue to develop its people management arrangements, to ensure it has the capacity and capabilities necessary to change and improve. Wellbeing of Future Generations (Wales) Act 2015

The guidance on the Act is clear – it requires public bodies to maximise their contribution to improving the wellbeing of Wales. The Act provides a framework for better decision making by ensuring public bodies take account of the **long term**, focus on **prevention**, take an **integrated** and **collaborative** approach, and **involve** people in policy making and planning and delivery of services.

The Act places a duty on the public sector to:

- Adopt the Sustainable Development Principle
- Work towards 7 national wellbeing goals
- Focus work on future generations
- Take a central role in the establishment and scrutiny of a Public Services Board (PSB)
- Take a central role in the development of a Wellbeing Plan based on a long term needs assessment
- Respond to a new accountability framework including reporting and review by the Auditor General Wales

The Act has implications for how the local authority will work in future and Part 2 of the Act places an individual wellbeing duty on public bodies. Key areas where change needs to happen include:

- Corporate Planning
- Risk Management
- Workforce Planning
- Performance Management
- Financial Planning
- Procurement
- Assets

The Wellbeing of Future Generations Act 2015 which came into force in April 2016 sets the context for the move towards long term planning of services. A programme of training for senior management and elected members is underway so that the wide-ranging and transformational implications of the Act are understood and can be embedded in the Council's ways of working.

Key documents and processes have been revised so that they incorporate sustainable development and wellbeing principles. Over the last three years extensive public engagement has been undertaken in relation to setting service delivery priorities and identifying which services matter most to people, and contribute to their wellbeing. This will continue to inform future planning.

2.1	Newport is in the second quartile for sickness absence based on 2015/16 data, and is joint 7th based on the number of days lost per FTE. Our policy uses best practice of 7 calendar days for RTW's to be completed and whilst we do not achieve 100% submission, we do not believe that reducing the time frame will ensure greater submission response rates. However, we will look to move from a paper based system to an online one in an attempt to improve submission rates as we believe that completing paper documentation has a greater impact on delayed submission rates.	September 2017	<p>We have rolled out People Manager on iTrent to managers in the organisation. We anticipate that this action will shorten the length of time to complete return to work interviews and will increase the percentage of returns within the timeframe.</p> <p>All managers are now enrolled on using People Manager on iTrent and are completing sickness information directly on the system themselves.</p>	<p>Further consideration of the removal of the paper form and move to an online form.</p> <p>We are working towards removing all paper forms in HR activity and are investigating the option of building an iTrent form so that the RTW discussion can take place electronically and therefore remove the form. This should result in a much higher percentage (if not all) RTW's taking place within the 7 day timeline.</p>	Head of People & Business Change

Proposal for Improvement 3

Proposal for Improvement 3	Review whether it has appropriate capacity and capability within its People and Business Change service area to strengthen workforce planning.

3.1	Workforce planning has been a theme of the HR service plan for the last year and officers have been identified as leads for enabling workforce planning to become an integral function of the HR service. We have visited the Vale of Glamorgan, Swansea and RCT Councils to learn from their best practice and apply this knowledge at Newport. We intend to undertake the WAO self-assessment audit tool to review our progress and identify priorities for the future. Officers will be effectively trained on workforce planning There is a risk in terms of capacity within the HR/OD team as Newport has considerably fewer HR FTE than comparable Councils and priorities will need to be assessed accordingly.	September 2017	Workforce Plan 2016/17 published and all service areas have completed their template for the year with their workforce planning objectives identified. HR Business Partners are working proactively with Heads of Service to discuss their templates as part of normal business discussions and each member of the HR team has contribution towards the workforce planning progress report.	<p>Currently working on a longer term workforce plan for the organisation which will match up to the next People Plan – i.e. a 5 year plan for both</p> <p>HRD network are piloting workforce planning template and we intend to see whether this tool is appropriate for Newport.</p> <p>HR Business Partners will move towards greater emphasis on workforce planning support to the organisation by a restructure which introduces HR Advisors to pick up employee relations casework – this will provide greater capacity to HR Business Partners to focus more on workforce planning</p>	Head of People & Business Change
